Through Eyes Fallen Ashley Parker:

Through the Eyes of Mortals Ashley Parker, 2013-10-01 In the plight of the Black Plague Vicente Guerrero finds strange events unfolding as his family falls victim to the disease However even as he witnesses their deaths he shows no symptoms Instead his strength and stamina increase seemingly sourced by a foreign voice in his mind **Madi's Secret** Susan M. Baganz, 2021-08-20 SHE HAS A DEADLY SECRET IF ONLY SHE KNEW WHAT IT WAS Madeline Baxter has kept other secrets for seventeen years Now God has called her back to Menomonee Falls Wisconsin to face her fears She obeys and mysterious threatening messages begin Everyone she loves could be in danger Including her first love Parker Parker has loved Madi for twenty years As graduating high school sweethearts they planned to marry but the girl of his dreams vanished without a trace He went on with life wed and widowed but Madi's back more beautiful than ever and his heart is twisted in knots What is Madi hiding How can Parker trust her when he doesn't understand why she left And why does his heart still beat for her Modern Manhood Cleo Stiller, 2019-11-12 Emmy and Peabody Award nominated health reporter Cleo Stiller's fun, ny and informative collection of advice and perspectives about what it means to be a good guy in the era of MeToo Here are a few self-evident truths Predatory men need to go sexual assault is wrong and women and men should be equal If you're a man and disagree with any of the aforementioned then this book isn't for you But if you agree you're probably one of the good guys That said you might also be feeling frustrated exasperated and perhaps even skeptical about the current national conversation surrounding MeToo among many other things You've likely found yourself in countless experiences or conversations lately where the situation feels gray at best You have a lot to say but you're afraid to say it and worried that one wrong move will land you in the hot seat From money and sex to dating and work and everything in between it can all be so confusing And when do we start talking about solutions instead of putting each other down In *Modern Manhood* reporter Cleo Stiller sheds light on all the gray areas out there using conversations that real men and women are having with their friends their dates their family and themselves Free of judgment preaching and sugarcoating *Modern Manhood* is engaging provocative and ultimately a great resource for gaining a deeper understanding of what it means to genuinely be a good man today Walk of the Spirits Richie Tankersley Cusick, 2008-04-17 When Miranda Barnes first sees the sleepy town of St Yvette Louisiana with its moss-draped trees above ground cemeteries and her grandfather's creepy historic home she realizes that life as she knew it is officially over Almost immediately there seems to be something cloying at her Something lonely and sad and very pressing Even at school and in the group project she's been thrown into she can't escape it Whispers when she's alone shadows when no one is there to make them and a distant pleading voice that wakes her from sleep The other members in Miranda's group project especially handsome Etienne can see that Miranda is in distress She is beginning to understand that like her grandfather before her she has a special gift of communicating with spirits who still walk the town of St Yvette And no matter where she turns Miranda feels bound by their whispered pleas for help unless she can
