

THUNDER AT TWILIGHT

VIENNA 1913/1914

FREDERIC MORTON

AUTHOR OF A NERVOUS SPLENDOR

Thunder At Twilight Vienna 1913 Or 1914

Julie Metz

Thunder At Twilight Vienna 1913 Or 1914:

Thunder At Twilight Frederic Morton, 2001-04-26 From the author of *A Nervous Splendor* a dazzling portrait of the epicenter of the apocalypse that was World War I

The Lost History of 1914 Jack Beatty, 2012-02-02 In *The Lost History of 1914* Jack Beatty examines the First World War and its causes testing against fresh evidence the long dominant assumption that it was inevitable Most books set in 1914 map the path leading to war Beatty writes this one maps the multiple paths that led away from it Radically challenging the standard account of the war's outbreak Beatty presents the assassination of Archduke Franz Ferdinand not as the catalyst of a war that would have broken out in any event over some other crisis but rather as its all but unique precipitant Chronicling largely forgotten events faced by each of the belligerent countries in the months before the war started in August Beatty shows how any one of them a possible military coup in Germany the threat to Britain of civil war in Ireland the murder trial of the wife of the likely next premier of France who sought détente with Germany might have derailed the arrival of war Europe's ruling classes Beatty shows were so haunted by fear of those below that they mistook democratisation for revolution and were tempted to escape forward into war to head it off Beatty's deeply insightful book as elegantly written as it is thought provoking and probing lights a lost world about to blow itself up in what George Kennan called the seminal catastrophe of the twentieth century *The Lost History of 1914* is a highly original and challenging work of history

The Vertigo Years Philipp Blom, 2010-11-02 Examines how changes from the Industrial Revolution prior to World War I brought about radical transformation in society changes in education and massive migration in population that led to one of the bloodiest events in history

The First Moderns William R. Everdell, 2009-02-15 A lively and accessible history of Modernism *The First Moderns* is filled with portraits of genius and intellectual breakthroughs that richly evoke the fin de siècle atmosphere of Paris Vienna St Louis and St Petersburg William Everdell offers readers an invigorating look at the unfolding of an age This exceptionally wide ranging history is chock a block with anecdotes factoids odd juxtapositions and useful insights Most impressive For anyone interested in learning about late 19th and early 20th century imaginative thought this engagingly written book is a good place to start Washington Post Book World *The First Moderns* brilliantly maps the beginning of a path at whose end loom as many diasporas as there are men Frederic Morton *The Los Angeles Times* Book Review In this truly exciting study of the origins of modernist thought poet and teacher Everdell roams freely across disciplinary lines A brilliant book that will prove useful to scholars and generalists for years to come enthusiastically recommended Library Journal starred review Everdell has performed a rare service for his readers Dispelling much of the current nonsense about postmodernism this book belongs on the very short list of profound works of cultural analysis Booklist Innovative and impressive Everdell has written a marvelous erudite and readable study Mark Bevir *Spectator* A richly eclectic history of the dawn of a new era in painting music literature mathematics physics genetics neuroscience psychiatry and philosophy Margaret Wertheim *New Scientist* Everdell has himself recombined the parts of our

era's intellectual history in new and startling ways shedding light for which the reader of *The First Moderns* will be eternally grateful Hugh Kenner *The New York Times Book Review* Everdell shows how the idea of modernity arose before the First World War by telling the stories of heroes such as T S Eliot Max Planck and Georges Serault with such a lively eye for detail irony and ambiance that you feel as if you're reliving those miraculous years Jon Spayde *Utne Reader* **Arthur Schüller: Founder of Neuroradiology** John Keith Henderson, Michael A Henderson, 2021-02-01 Professor Arthur Schüller 1874-1957 was a distinguished pioneer in the field of neuroradiology His research rapidly made him the pre eminent authority on the radiology of the skull and brain in the German speaking world particularly after the publication of his two books including a monograph on diseases of the head which became the standard textbook throughout the classic era of neuroradiology He was a university professor at the age of 35 author of many scientific articles in medical journals and is credited with the first description of three diseases and three operations Schüller was also a refugee fleeing Austria with his wife in 1938 and settling in Melbourne in 1939 The analysis of his career is woven into the personal history of his family Tragically his later years were darkened by the news from Europe that his two sons had perished in a concentration camp **Putnam Camp** George Prochnik, 2012-12-04 Winner of the 2007 Grady Award An innovative work of biography that traces the lasting impact of the friendship between Sigmund Freud and pioneering American psychologist James Jackson Putnam In 1909 Sigmund Freud made his only visit to America which included a trip to Putnam Camp the eminent American psychologist James Jackson Putnam's family retreat in the Adirondacks Of all the things that I have experienced in America this is by far the most amazing Freud wrote of Putnam Camp Putnam a Boston Unitarian and Freud a Viennese Jew came from opposite worlds cherished polarized ambitions and promoted seemingly irreconcilable visions of human nature and yet they struck up an unusually fruitful collaboration Putnam's unimpeachable reputation played a crucial role in legitimizing the psychoanalytic movement By the time of Putnam's death in 1918 psychoanalysis had been launched in America where in large part thanks to the influence of Putnam and in a development Freud had not anticipated it went on to become a practice that moved beyond the vicissitudes of desire to cultivate the growth and spiritual aspirations of the individual as a whole Putnam Camp reveals details of Putnam's and Freud's personal lives that have never been fully explored before including the crucial role Putnam's muse Susan Blow founder of America's first kindergarten pioneering educator and philosopher in the American Hegelian movement played in the intense debate between these two great thinkers As the great grandson of Putnam author George Prochnik had access to a wealth of personal firsthand material from the Putnam family as well as from the James and Emerson families all of which contribute to a new and intimate vision of the texture of daily life at a moment when America was undergoing a cultural and intellectual renaissance **Edgar G. Ulmer** Noah Isenberg, 2024-09-03 Edgar G Ulmer is perhaps best known today for *Detour* considered by many to be the epitome of a certain noir style that transcends its B list origins But in his lifetime he never achieved the celebrity of his fellow Austrian and German migr directors Billy Wilder Otto

Preminger Fred Zinnemann and Robert Siodmak Despite early work with Max Reinhardt and F W Murnau his auspicious debut with Siodmak on their celebrated Weimar classic *People on Sunday* and the success of films like *Detour* and *Ruthless* Ulmer spent most of his career as an itinerant filmmaker earning modest paychecks for films that have either been overlooked or forgotten In this fascinating and well researched account of a career spent on the margins of Hollywood Noah Isenberg provides the little known details of Ulmer s personal life and a thorough analysis of his wide ranging eclectic films features aimed at minority audiences horror and sci fi flicks genre pictures made in the U S and abroad Isenberg shows that Ulmer s unconventional path was in many ways more typical than that of his more famous colleagues As he follows the twists and turns of Ulmer s fortunes Isenberg also conveys a new understanding of low budget filmmaking in the studio era and beyond

Theodor Herzl and the Origins of Zionism Ritchie Robertson,Edward Timms,1997 This volume commemorates Theodor Herzl the Viennese journalist and writer who incongruously founded Zionism as a political movement which led ultimately to the founding of the State of Israel The contributors look at Herzl and seek to place him in historical context In particular they examine his relations with Viennese contemporaries his use of his position as a prominent journalist to obtain audiences with world leaders his negotiations with Germany and Britain to obtain a national territory for the Jews and his attempts to analyze and reshape the Jewish character in his fictional writings

Dance of the Furies Michael S. Neiberg,2011-04-25 By training his eye on the ways that people outside the halls of power reacted to the rapid onset and escalation of the fighting in 1914 Neiberg dispels the notion that Europeans were rabid nationalists intent on mass slaughter He reveals instead a complex set of allegiances that cut across national boundaries

Eva and Eve Julie Metz,2022-05-03 To Julie Metz her mother Eve was the quintessential New Yorker It was difficult to imagine her living anywhere else except the Upper West Side of Manhattan In truth Eve had endured a harrowing childhood in Nazi occupied Vienna though she rarely spoke about it Yet after her passing Julie discovered a keepsake box filled with farewell notes from friends and relatives addressed to a ten year old girl named Eva her mother This was the first clue to the secret pain that Julie s mother had carried as an immigrant and it shed light on a family that had to rely on its own perseverance to escape the xenophobia that threatened their survival A beautiful blend of personal memoir and family history Metz shows how one woman s search for her mother s lost childhood offers valuable lessons about the sacrifices people make to save their families during some of the darkest times in history

If you ally habit such a referred **Thunder At Twilight Vienna 1913 Or 1914** ebook that will allow you worth, acquire the entirely best seller from us currently from several preferred authors.
