A car wreck on Highway 101 near Kelton last night resulted in the death of a young man and the injury of five other young people. The victim, a 19-year-old high school senior, was killed instantly. The other four young people, all between 17 and 21 years old, were injured but are expected to recover. The driver of the car, a 25-year-old man, was also injured and is being treated at the local hospital. The cause of the wreck is still under investigation.

The meeting of the United Fund committee will be held at the city hall on Tuesday evening. The committee will discuss the feasibility of launching a drive to raise funds for the United Fund. The drive would involve soliciting donations from businesses and individuals in the community. The committee will also discuss the logistics of the drive, including the selection of a chairman and the distribution of materials.

The city hospital is cooperating in a plan to establish a blood bank. The plan involves the collection and storage of blood for use in emergencies. The hospital will provide the facilities and equipment needed for the blood bank, while the community will provide the blood donors. The blood bank is a vital service that can save lives in the event of a major disaster or a medical emergency.

The Irish community in the city is planning a series of events to celebrate St. Patrick's Day. The events will include a parade, a concert, and a dance. The Irish community is a large and active one in the city, and these events provide a great opportunity for them to come together and celebrate their heritage.

A talented singer and pianist is planning to give a series of performances in the city. The performer, a young woman with a beautiful voice and a strong background in music, will be playing a variety of songs, including classical and contemporary pieces. The performances will be held at the city hall and are expected to draw a large crowd of spectators.
