Thy Kingdom Come Lent And Easter Sermons By David H Petersen:

Thy Kingdom Come: Lent and Easter Sermons by David H. Petersen David H. Petersen, 2012-12-01 This collection of sermons arises from the culture of an active parish life as a part of its usual worship routine With over sixty sermons spanning Pre Lent all forty days of Lent and the Sundays after Easter this book now serves as an excellent daily devotion for both pastors and parishioners Distinctive in his preaching style Pr Petersen fluidly interweaves the words of Holy Scripture with his own immersing us in the text and applying Law and Gospel with sharp insight As Luther explains in his catechisms preaching the Word brings the kingdom of heaven from Christ through the Holy Spirit to the individual always pointing us to Christ and Him crucified died and risen **My First Exorcism** Harold Ristau, 2016-04-14 What the scientific community dismisses as a mental disorder Christians have often labeled demon possession While classifications may offer limited help in explanation the Reverend Dr Harold Ristau explores the nature and meaning of demonic activity by drawing from his own experiences with exorcism Ristau shares life lessons spiritual applications and religious wisdom from his personal encounters with the dark realm Primarily intended for clergy his reflections offer a springboard intended to stimulate critical thinking challenge metaphysical presuppositions and inspire a belated conversation on a topic that has traditionally been avoided not because of a lack of empirical evidence but due to the fear that it incites inside of us Yet if the claims of the historic Church are true that demons do in fact exist and seek our destruction then an honest examination of the phenomenon and its impact on the ways in which we live and reason is an essential endeavor for any practitioner of the ministry of deliverance

Restoring the Future Robert J. Elder, 2001. *Restoring the Future* challenges readers to a deeper Easter faith by opening unexpected treasures in the first lesson lectionary passages from Genesis, Exodus, Samuel, the prophets, and the book of Acts. Drawing upon thoughtfully mined biblical insights and his alert attention to contemporary culture, Rob Elder has crafted sermons that not only disclose some unexpected angles of vision on Lent and Easter but also serve as models for preaching on neglected and overlooked texts. These are not the usual texts, and these are not the expected words for the seasons of Lent and Easter, but it is sometimes what we do not expect to see and hear that delights us the most.

Thomas G. Long, Bandy Professor of Preaching, Candler School of Theology, Emory University. Some of the best sermons I have heard are from preachers who are not widely known. It is grand to have the opportunity to hear from one of those faithful servants who year in and year out feed their parishioners with God's word.

Diogenes Allen, Princeton Theological Seminary. This is the kind of preaching that nourishes the church. In this volume, Rob Elder serves up a full meal of appetizing stories, hearty reflections on scripture, serious theological
