Tibet Revolte Nepemako Promise Tibetains

Jessica J Manson

Tibet Revolte Nepemako Promise Tibetains:

The Siege of Shangri-La Michael McRae, 2012-04-25 The story of the quest for a real life Shangri La in the darkest heart of the Himalayas a century long obsession to reach the sacred hidden center of one of the world's last uncharted realms At the far eastern end of the Himalayas in Tibet lies the Tsangpo River Gorge known as the great romance of geography during the nineteenth century's golden age of exploration Here the mighty Tsangpo funnels into an impenetrable canyon three miles deep walled off from the outside world by twenty five thousand foot peaks Like the earthly paradise of Shangri La immortalized in James Hilton's classic 1933 novel *Lost Horizon* the Tsangpo River Gorge is a refuge revered for centuries by Tibetan Buddhists and later in Western imagination as a sanctuary in times of strife as well as a gateway to nirvana *The Siege of Shangri La* tells the story of this fabled land's exploration as both a geographical and spiritual destination and chronicles the discovery at the end of the last millennium of the truth behind the myths and rumors about it Veteran journalist Michael McRae traces the gorge's exploratory history from the clandestine missions of surveyor spies called pundits and botanical expeditions of naturalists in the early twentieth century to the recent investigations of scholars adventurers and pilgrims seeking the Hidden Falls of the Tsangpo which purportedly rivals Niagara in size and serves as the gateway to paradise Each explorer's narrative provides increasing evidence of why the gorge has been mythologized in Eastern and Western lore as one of the world's most alluring blanks on the map and a supreme test of human will Taking readers on a guided tour of the gorge's landscape physical and metaphysical McRae presents an insightful look at the pursuit of glory and enlightenment that has played out in this mysterious land with sometimes disastrous consequences *The Siege of Shangri La* is a fascinating journey through the inner recesses of a remote mystical world and the minds of those who have attempted to reach it From the Hardcover edition

Tibet John Pinfold, 1991 **In Search of Shangri-La** Michael McRae, 2003 Since the 19th century Westerners have laid siege to the Tsangpo Gorge in Tibet The colonial British saw it as a strategic prize 1920's botanist Frank Kingdon Ward saw it as a geographical puzzle to solve and Oxford educated American Tibet scholar Ian Baker discoverer of the hidden waterfall in the 1990s saw it as a hidden Buddhist realm More recently kayakers have seen the rapids as the last great whitewater challenge They paid with their lives For all the reality was unimportant All heaped their own perceptions on the mythology that had come before This title combines adventure travel history and myth to tell the story of the search for the hidden falls of Shangri la
