Revolutionizing Education with Digital Ink Tracy Hammond, Stephanie Valentine, Aaron Adler, 2016-05-19 Derived from contributions to the Workshop on Pen and Touch Technology on Education WIPTTE in 2015, this edited volume highlights recent developments for pen and tablet research within the education system with a particular focus on hardware and software developments comprising the perspectives of teachers, school and university administrators, and researchers for educators at every level. Split into six distinct parts, the book explores topics like how classrooms are increasingly using sketch-based videos created by teachers and students alike and how the teaching of key skills such as literacy, languages, math, and art via pen and touch technologies within the classroom are leading to improvements in engagement, learning, and retention levels amongst students. Future perspectives of digital learning as envisioned by current high school students are also explored. *Revolutionizing Education with Digital Ink* is a must-read for those seeking to understand the direction of current and future pen and touch research, its current use in classrooms, and future research directions. *How Do I Get*

Them to Write? Karen Filewych, 2017-05-15 This remarkable book shows teachers how to inspire students to learn to write and write to learn. Committed to the premise that all students can learn to write with appropriate teaching, modelling, and practice, it argues that reading and writing go hand in hand. Through reading, writing, and the inevitable discussions that follow, students learn from the experiences of others, open their minds to many possibilities, gain a glimpse into new worlds, make connections to their lives, and reflect on their own choices and learning. This practical book shows you how to use freewriting and powerful mentor texts to create classrooms where students enjoy putting pencil to paper and taking the necessary risks to grow and flourish as writers. Successful Teaching in the Differentiated Classroom Carolyn Coil, 2007
