Sarsons, 2013-06-28 I'm breathless This journey through The Book of Gardens touched me so deeply Day after day I was bathed by the words I was comforted and confronted I was overwhelmed by curiosity and calm urgent intellectual stimulation and an emotional embrace I am in awe of Phil's ability to lead me one step at a time as if he were holding my hand and pushing me at the same time I'm full to the brim shaken up like love at a stand still with gratitude Maggie Merritt Nevada USA The passion and beautifully crafted language unites the subjects of I Ching meditation economy and ecology I emerged with renewed excitement for meditation and a deepened understanding of the choices we face for humanity to survive on this world Nicolas Albright Nelson Canada A practical manual for decision making The Book of Gardens includes a summary of how to use the I Ching and learn Mindfulness Meditation Amid the Changes upon us all today what direction will you take The Donut Steve Penfold, 2008-01-12 In Canada the donut is often thought of as the unofficial national food Donuts are sold at every intersection and rest stop celebrated in song and story as symbols of Canadian identity and one chain in particular Tim Horton's has become a veritable icon with over 2500 shops across the country But there is more to the donut than these and other expressions of snackfood patriotism would suggest In this study Steve Penfold puts the humble donut in its historical context examining how one deep fried confectionary became not only a mass commodity but an edible symbol of Canadianness Penfold examines the history of the donut in light of broader social economic and cultural issues and uses the donut as a window onto key developments in twentieth century Canada such as the growth of a consumer society the relationship between big business and community and the ironic qualities of Canadian national identity He goes on to explore the social and political conditions that facilitated the rapid rise and steady growth of donut shops across the country Based on a wide range of sources from commercial and government reports to personal interviews The Donut is a comprehensive and fascinating look at one of Canada's most popular products It offers original insights on consumer culture mass consumption and the dynamics of Canadian history

Mergent International Manual ,2009 *Mergent Industrial Manual* ,2003 **Doubleday, Page & Co.'s Geographical Manual and New Atlas** Christopher Orlando Sylvester Mawson,1918 Anne of Tim Hortons Herb Wyile,2011-04-25 Anne of Tim Hortons Globalization and the Reshaping of Atlantic Canadian Literature is a study of the work of over twenty contemporary Atlantic Canadian writers that counters the widespread impression of Atlantic Canada as a quaint and backward place By examining their treatment of work culture and history author Herb Wyile highlights how these writers resist the image of Atlantic Canadians as improvident and regressive if charming folk After an introduction that examines the current place of the region within the Canadian federation and the broader context of economic globalization Anne of Tim Hortons explores how Atlantic Canadian writers present a picture of the region that is much more complex and less quaint than the stereotypes through which it is typically viewed Through the works of authors such as Michael Winter Lisa Moore George Elliott Clarke Rita Joe Frank Barry Alistair MacLeod and Bernice Morgan among others the book looks at the changing and increasingly corporate nature of work the cultural diversification and subversive self consciousness of Atlantic Canadian literature and Atlantic Canadian writers often revisionist approach to the region s history What these writers are engaged in the book contends is a kind of collective readjustment of the image of the region Rather than a marginal place stranded outside of time Atlantic Canada in these works is very much caught up in contemporary economic political and cultural developments particularly the broad sweep of economic globalization , Official Gazette of the United States Patent and Trademark Office ,2004
