

A photograph of a sunset over the ocean. The sky is a gradient of orange and yellow, fading into a darker blue at the horizon. The ocean is dark with white-capped waves breaking in the foreground. A dark, semi-transparent rectangular box is centered over the image, containing white text.

Time doesn't heal all wounds. Time gives you distance and perspective. The time we had wasn't enough, but it wasn't nothing. I lived twenty-two amazing years as their son. And that was a gift.

Breaking Inner Barriers Raymond Perley, 2018-12-02 Everyone at some point in their life will admit that they've had to face or overcome some type of inner barrier The problem is most of us can't pinpoint what that barrier is how it got there or how to overcome them These barriers can hold us back in life or make us feel like we are just out of reach of achieving our dreams These barriers may include mental and emotional loops that keep us down or effect our daily life Whether you've been abused as a child experienced a life altering event struggled with long term financial stress or even suffered a business or an athletic competitive loss this book is for you These events or moments can cause damage to the heart and soul This is where many of our inner struggles begin You are about to experience the most dramatic healing you've ever experienced as it pertains to inner pain This is not a self help book it is an interactive book that encourages you to participate in the activities outlined in each chapter to increase self awareness You will be taking a journey with me while your healing unfolds as you read about our family's experience with loss as you read about our heart wrenching battle with cancer and as read about our painful financial traumas and struggle with mental and emotional health Rest assured you won't just read about my family's experience you will take this journey with me and your healing will happen as we walk through your dark times together chapter by chapter This is the interactive part of the book It is a comprehensive book because it works in conjunction with a website and app where you can connect with someone who knows what you are going through Your purchase of this book will impact millions of lives especially those searching for help **Breaking Inner Barriers** Things will change with Your First Step *When There are No Words* Charlie Walton, 1996 The author who experienced the death of two of his sons as well as a family friend discusses grief and dealing with loss as well as consoling a friend or loved one when no words seem appropriate **The Other Side** Erica Harms, 2019-01-31 It can happen in an instant Betrayal Abuse Grief Trauma The very thing you just know will kill you happens and you find yourself asking Am I going to make it Erica Harms remembers the day she asked that same question with tears rolling down her cheeks Sometimes the walk of faith is more of a limp Or even a crawl And when trauma strikes forget even crawling Just sitting still and trying to inhale and exhale is a victory The only hope we have is the proof that others have crossed out of the shadows out of the darkness safely to the other side As someone who has stood on the shore of despair and been set free Erica knows that even the darkest and most

repulsive parts of our story can be redeemed into something beautiful Her honest and raw story declares that it is possible to be scared and brave and broken and whole and weak and strong at the same time It is possible to find hope after disappointment healing after abuse and joy after despair May the testimony of one who has been made whole but still remembers well what it was like to be broken be a lifeline of hope to those of you who today are asking Am I really going to survive this

ADDICTION: WHY THEY USE (A handbook for anyone that loves an alcoholic or addict) Emmanuel S. John, 2011-12-31 Addiction is perhaps one of the most emotionally painful issues we can observe in someone we love Because of the complex emotional nature of the problem it is without question one of the most confusing human health issues we have ever faced as a society Addiction often leaves loved ones worried tortured and full of guilt Addictive disease creates excessive levels of fear stress and anxiety It leaves family members living in a toxic state of fear for what the future might bring as well as overwhelming physical and emotional exhaustion resulting from worry and blame For those who love the addicted many crucial questions have remained unanswered for far too long Why They Use bridges the information gaps for loved ones in very simplified and understandable terms No longer are the loved ones of alcoholics and addicts left alone in fear I understand your suffering because I have experienced it too I wrote this book for you
