Timeless Time Travelers:

The Subjective Time Traveler Jeff Layton, 2023-03-03 A short novel about Time Travel you will meet three time travelers as they venture through the past present and future These travelers from three different time epochs don't use a time machine They are subjective time travelers and Lee Boswell who becomes Chrono is taught how to do this after he goes through a gene therapy treatment that allows his brain to shift and dial in time periods in the past present or future The science behind this and consciousness itself is revealed consistently through the narrative Preconceived notions of what time is regarding the past and the future and time travel are brought into a new light of reasoning 4 12 2023 Following is an official OnlineBookClub.org review of The Subjective Time Traveler by Jeff Layton Have you ever wished you had a time machine Would you go back and prevent past mistakes and wars Or would you seek a ringside seat at key historical events And what would your time machine look like The eponymous time machine in H G Wells novel had dials and a seat and physically disappeared when it traveled in time In Jeff Layton's novel The Subjective Time Traveler however all that's required is a human mind modified to traverse the fourth dimension In this work that I'd consider speculative fiction Layton introduces himself as the channeling writer for the protagonist Chrono He embarks on his time travels after manifesting a master a shaman named Kyodi in a lucid dream Chrono's first time trip is to the ceremony where Kyodi's consciousness leaves his body He feels the frozen tundra underfoot as he walks to a hut the scene is rich in sensual details exemplifying the vivid descriptions that are one of the most enjoyable aspects of this book Another was the range of history and culture that it covered It includes a long list of dates at one point but the channeling writer reassures readers they need not be put off by this and he pauses on events that left a noticeable mark on the space-time continuum Some of these were connected with key religious figures This book's spiritual content was inspiring and its insights into the subjectivity of reality can support mental wellness and healing In explaining the scientific basis for time travel using Einstein's theories the channeling writer packed an amazing volume of ideas into a concise work Don't we know that time travel will never be invented because if it had been we'd have met time travelers already In outlining the rules of subjective time travel Layton shows why this is not necessarily the case I'd encourage you to read this book to find out more The system was partly based on the laws of karma I was slightly missing a full explanation of those Rather the author seemed to assume a thorough knowledge of the Buddhist understanding of karma that some readers may not have In that connection including a slightly more detailed explanation of that point could improve this book Otherwise its detailed descriptions and awe-inspiring insights into science philosophy and ontology were impressive This book merits a very good rating because it was vivid mind-expanding clear and easy to follow Overall this is a highly recommended work of speculative fiction If you've ever wondered about the mechanics of time travel or how paradox can be prevented this will help provide answers No machine with dials is required this is a subjective trip for the mind

Time Travel Nikk Effingham, 2020 Time travel is metaphysically possible Nikk Effingham contends that arguments for the impossibility of time travel are not sound Focusing mainly on the Grandfather Paradox Effingham explores the ramifications of taking this view discusses issues in probability and decision theory and considers the potential dangers of travelling in time

Speculative Wests Michael K. Johnson, 2023-03 2024 Thomas J Lyon Book Award Winner sponsored by Western Literature Association Looking across the cultural landscape of the twenty first century its literature film television comic books and other media we can see multiple examples of what Shelley S Rees calls a changeling western what others have called weird westerns and what Michael K Johnson refers to as speculative westerns that is hybrid western forms created by merging the western with one or more speculative genres or subgenres including science fiction fantasy horror and alternate history *Speculative Wests* investigates both speculative westerns and other speculative texts that feature western settings Just as western refers both to a genre and a region Johnson's narrative involves a study of both genre and place a study of the speculative Wests that have begun to emerge in contemporary texts such as the zombie threatened California of Justina Ireland's *Deathless Divide* 2020 the reimagined future Navajo nation of Rebecca Roanhorse's *Sixth World* series 2018 19 and the complex temporal and geographic borderlands of Alfredo V a's time travel novel *The Mexican Flyboy* 2016 Focusing on literature film and television from 2016 to 2020 *Speculative Wests* creates new visions of the American West

A Call for Truth Pasquale De Marco, 2025-07-27 *A Call for Truth* is a groundbreaking book that challenges our assumptions about reality and empowers us to question everything we thought we knew In this thought provoking exploration of the nature of truth Pasquale De Marco takes us on a journey of self discovery and enlightenment We live in a world of illusions a world where the powerful and the privileged control the narrative and shape our perceptions But what if there is more to reality than what we are allowed to see What if there is a deeper truth waiting to be discovered *A Call for Truth* is a call to break free from these constraints to see through the illusions and to discover the truth for ourselves It is a call to embrace the unknown to push the boundaries of our knowledge and to challenge the status quo Through a series of thought provoking essays Pasquale De Marco explores the nature of truth the power of questioning and the importance of critical thinking He reveals the hidden forces that shape our beliefs and perceptions and he shows us how to break free from their influence *A Call for Truth* is a book for those who are ready to question everything to challenge the status quo and to embark on a journey of self discovery and empowerment It is a book that will change the way you see the world and your place in it *A Call for Truth* is a must read for anyone who is seeking a deeper understanding of themselves the world around

them and the nature of reality It is a book that will challenge your beliefs expand your consciousness and empower you to create a better world for yourself and for generations to come If you like this book write a review **Weird Westerns** Kerry Fine, Michael K. Johnson, Rebecca M. Lush, Sara L. Spurgeon, 2020-08 Weird Westerns is an exploration of the hybrid genre of the weird western analyzing movies TV shows and comic books such as Django Unchained The Walking Dead and Wynonna Earp **The Secret History of the World and How to Get Out Alive** Laura Knight-Jadczyk, 2005 Previously published as Ancient Science Secret History contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher s Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in
