**Tinder Nightmares** Unspirational, 2017-01-21 Will have you in hysterics over truly epic Tinder fails it captures real life conversations potential couples have exchanged over the app Spy Tinder Nightmares is a hilarious look at some of the most epic fails of the often racy always ridiculous romantic exchanges on Tinder The Instagram account of the same name has skyrocketed to popularity for its captivating and sometimes titillating ability to capture the real life conversations between people who are looking to connect with that special someone Tinder Nightmares is organized by theme with chapters such as Bad English Broetry Strange Requests Sneak Attacks and more This book explores everything from pickup lines to breakups and all the moments that come in between It s the perfect gift for anyone who has ever suffered through online dating Praise for the Tinder Nightmares Instagram account Taking submissions from womankind worldwide the account posts the funniest and most tragic lines which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror and weepy at our complete loss of faith in humanity Cosmopolitan So for anyone who has ever had a nightmarish experience on Tinder Tinder Nightmares is here to remind you that you re not alone Because when life gives you innocuously bizarre Tinder messages make jokes HuffPost [The Social Media Age](#) Zoetanya Sujon, 2021-04-07 Exploring power and participation in a connected world Social media are all around us For many they are the first things to look at upon waking and the last thing to do before sleeping Integrated seamlessly into our private and public lives they entertain inform connect and sometimes disconnect us They re more than just social though In addition to our experiences as everyday users understanding social media also means asking questions about our society our culture and our economy What we find is dense connections between platform infrastructures and our experience of the social shaped by power shifting patterns of participation and a widening ideology of connection This book introduces and examines the full scope of social media From the social to the technological from the everyday to platform industries from the personal to the political It brings together the key concepts theories and research necessary for making sense of the meanings and consequences of social media both hopefully and critically Dr Zoetanya Sujon is a Senior Lecturer and Programme Director for Communications and Media at London College of Communication University of the Arts London *Sexual Crime and the Internet* Craig A. Harper, Rebecca Lievesley, Helen Swaby, Belinda Winder, Nicholas Blagden, Kerensa Hocken, Phil Banyard, 2025-08-20 This book offers a collection of original contributions to the current literature on the role of the internet in understanding contemporary issues in sexual offending The book explores the theoretical underpinnings of the effect of the internet on the development of sexual deviance before looking at more applied topics including online sexual offending against children and sextortion Contemporary topics such as image based sexual abuse dating app facilitated violence and groups referred to as incels are also explored The book is relevant to psychologists criminologists social workers and students as well as practitioners and the general public **Sex, College, and Social Media** Cindy Pierce, 2016-10-04 Sex in college has never been simple And

with modern technology the rising rates of sexual assault and STDs and an increasingly ambiguous hookup culture it is getting ever more complex Sex College and Social Media A Commonsense Guide to Navigating the Hookup Culture is a compassionate funny and well researched primer for the modern college student both male and female It covers a range of topics including How improved communication can make sex better for everyone Ways that porn and the media have warped our expectations Trustworthy information about STDs and contraception How to have a healthy relationship with alcohol and drugs What terminology is appropriate and respectful to use for all things LGBTQ The facts about sexual assault on campus and what to do if you or someone you know is assaulted Consent and much more Based on author Cindy Pierce s experience talking to college students and on extensive social and medical research Sex College and Social Media provides trustworthy answers for pressing questions about all aspects of the college social scene It will prepare entering freshmen for their new environment and continue to provide helpful and supportive guidance through senior year and beyond **Perfect** Rosalind Gill,2023-09-11 Social media is replete with images of perfection But many are unrealistic and contribute to a pervasive sense of never being good enough not thin enough not pretty enough not cool enough Try too hard and you risk being condemned for being attention seeking don t try hard enough and you re slacking Rosalind Gill challenges polarized perspectives that see young women as either passive victims of social media or as savvy digital natives She argues the real picture is far more ambivalent Getting likes and followers and feeling connected to friends feels fantastic but posting material and worrying about haters causes significant anxieties Gill uses young women s own words to show how they feel watched all the time worry about getting things wrong and struggle to live up to an ideal of being perfect yet at the same time real It s the wake up call we all need Also available as an audiobook Alpha Masculinity Eric Louis Russell,2021-04-15 This book examines the linguistic and discursive mechanisms that realize the mythological American Alpha Male Providing an in depth dissection of corpora from an online socio commercial community a pop psychology guru and fictional gay erotica it unravels the ways language gender and hegemony play out in this ideological figure of neopositive essentialist masculinity Through a detailed multi level analysis Russell shows how the Alpha figure combines elements of dominance normativity and androcentrism and how these forces intersect with neoliberal and pseudoscientific discourses to establish a uniquely hybridized male hegemony one that is familiar to most but whose internal mechanisms remain largely unquestioned and unexamined This book will be of interest to academic scholars in sociolinguistics discourse analysis cultural studies and gender and sexualities studies **Personal But Not Private** Stefanie Duguay,2022 Privacy has become a pressing concern for many users of digital platforms who fear legal or social liability for sharing personal details online Yet for queer women and others an emphasis on privacy fails to reflect the creativity and struggles of everyday people seeking to represent themselves and form meaningful connections through social media Personal but Not Private explores how queer women share and maintain their identities through digital technologies despite overlapping technological social economic and

political concerns Focusing on representations of sexual identity through Tinder Instagram and Vine this volume uncovers how queer women are continuously engaging in identity modulation or the process through which people and platforms adjust or modify personal information to form relationships increase their social and economic participation and counter intersecting forms of oppression While queer women s representations of sexual identity give rise to publics and counterpublics through intimate and collective self representation platform specific elements like design and governance place limitations on queer women s agency and often make them targets of censorship harassment and discrimination This book also considers how identity modulation can be applied to a range of people negotiating digital contexts and promotes tangible changes to digital platforms and their broader social economic and political structures to empower individuals and their personal sharing on social media Bringing together personal interviews and empirical research Personal but Not Private offers a new lens for examining digitally mediated identities and highlights how platforms act as complicated sites of transformation

**Just Sex?** Nicola Gavey, 2018-10-26 In the award winning Just Sex The Cultural Scaffolding of Rape Nicola Gavey provides an extensive commentary on the existing literature on rape analysing recent research to examine the psychological and cultural conditions of possibility for contemporary sexual violence Just Sex argues that feminist theory on sexual victimization has gone both too far and not far enough It presents the reader with a challenging and original perspective on the issues of rape sex and the body incorporating new material on sexism misogyny and digital culture as well as debates over gendered analyses of sexual violence The second edition has been updated and expanded to be extremely timely and relevant with the most recent high profile rape cases the Stanford rape case and the Belfast rape case being tried in the media and online The rise of the Hollywood Harvey Weinstein scandal and the MeToo movement makes this book incredibly useful and necessary to those who are working within the area of sexual violence This will appeal to academic readers studying psychology sociology and criminology as well as those looking into cultural influences on society It will also be very useful to those working in the professional sector on prevention and with people who have been subjected to sexual violence

Thirteen Tunnels Suzanne Samples, 2024-01-16 On September 17 2022 the literary world indeed the whole world lost a unique voice with the passing of Suzanne Hammer Samples Her final journey began in 2014 with a brain tumor diagnosis She chronicled her struggles and triumphs even as she worked through post surgery rehab including regaining the loss of arm and hand function Suzanne s rare courage and candor gave us a brutally honest and unflinching view of her life Though she nagged her editor and publisher to get her first book into print before she died Suzanne outlived her prognosis The memoir Frontal Matter Glue Gone Wild went on to be named among the best books of 2019 by Kirkus Reviews and sent Suzanne on a phenomenal book tour where she wowed listeners with her experiences stellar personality and dark wit She continued on to write two sequels Stargazing in Solitude published to acclaim in 2021 and the 13 Tunnels even as she returned to teaching and started a literary magazine Her trilogy offers insight comfort and understanding to the patients

caregivers and loved ones dealing with this and similar devastating diagnoses Suzanne lived life to the fullest and gave us great gifts along the way She will be missed Barbara Lockwood and Lisa Kastner     Wounded Masculinity and the Search for (Father) Self in American Film Susan Mackey-Kallis, Brian Johnston, 2023-12-12 Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell s interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest
