Spary, 2013-04-08 Eating the Enlightenment offers a new perspective on the history of food looking at writings about cuisine diet and food chemistry as a key to larger debates over the state of the nation in Old Regime France Embracing a wide range of authors and scientific or medical practitioners from physicians and poets to philosophes and playwrights E C Spary demonstrates how public discussions of eating and drinking were used to articulate concerns about the state of civilization versus that of nature about the effects of consumption upon the identities of individuals and nations and about the proper form and practice of scholarship En route Spary devotes extensive attention to the manufacture trade and eating of foods focusing upon coffee and liqueurs in particular and also considers controversies over specific issues such as the chemistry of digestion and the nature of alcohol Familiar figures such as Fontenelle Diderot and Rousseau appear alongside little known individuals from the margins of the world of letters the draughts playing caf owner Charles Manoury the Turkish envoy Soliman Aga and the natural philosopher Jacques Gautier d Agoty Equally entertaining and enlightening Eating the Enlightenment will be an original contribution to discussions of the dissemination of knowledge and the nature of scientific authority *Questions of Moral Theology* Thomas Slater, 1915

Jesus of Hollywood Adele Reinhartz, 2009-04-01 Since the advent of the cinema Jesus has frequently appeared in our movie houses and on our television screens Indeed it may well be that more people worldwide know about Jesus and his life story from the movies than from any other medium Indeed Jesus story has been adapted dozens of times throughout the history of commercial cinema from the 1912 silent *From the Manger to the Cross* to Mel Gibson's 2004 *The Passion of the Christ* No doubt there are more to come Drawing on a broad range of movies biblical scholar Adele Reinhartz traces the way in which Jesus of Nazareth has become Jesus of Hollywood She argues that Jesus films both reflect and influence cultural perceptions of Jesus and the other figures in his story She focuses on the cinematic interpretation of Jesus relationships with the key people in his life his family his friends and his foes She examines how these films address theological issues such as

Jesus identity as both human and divine political issues such as the role of the individual in society and the possibility of freedom under political oppression social issues such as gender roles and hierarchies and personal issues such as the nature of friendship and human sexuality Reinhartz s study of Jesus celluloid incarnations shows how Jesus movies reshape the past in the image of the present Despite society s profound interest in Jesus as a religious and historical figure Jesus movies are fascinating not as history but as mirrors of the concerns anxieties and values of our own era As the story of Jesus continues to capture the imagination of filmmakers and moviegoers he remains as significant a cultural figure today as he was 2000 years ago
