The Write Start with Readings Gayle Feng-Checkett, Lawrence Checkett, 2005 Clear and straightforward The Write Start with Readings Paragraphs to Essays is a workbook designed to build writing revision and critical thinking skills by getting readers writing from the start The text models the entire writing process from prewriting to proofreading with a model paragraph and extends the writing process model to writing the introductory body and conclusion paragraphs of an essay It then continues instruction in the various modes of development teaching readers to write paragraphs and essays in each mode Provides ample practice in applying the techniques and thinking skills Also included are sample student and professional essays to encourage critical

thinking and discussion A Writer s Resource appendix provides opportunities for students to work on targeted skills in grammar punctuation and ESL concerns For those interested in improving basic writing skills **The Write Start: Sentences to Paragraphs with Professional and Student Readings** Gayle Feng-Checkett, Lawrence Checkett, 2009-02-02 With its flexible and effective organization varied and focused practices and interesting writing assignments THE WRITE START SENTENCES TO PARAGRAPHS WITH PROFESSIONAL AND STUDENT READINGS 4TH EDITION combines writing and grammar instruction to help students build the core skills necessary for becoming effective writers English as a Second Language pedagogy from which all developing writers can benefit informs the entire text This new edition has been reorganized to better reflect the way that instructors teach the material combining chapters was a logical and sensible strategy and will enhance the texts navigability Exercises on sentence fragments and sentence combining have been added as have new timely and thought provoking professional and student readings self assessment questionnaires and end of chapter Writing Opportunities that encourage students to see themselves as experts who will use writing in their careers Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **The Write Start with Readings** Gayle Feng-Checkett, 2011 Writing First with Readings Laurie G. Kirsznier, Stephen R. Mandell, 2011-12-28 Best selling authors and veteran college writing instructors Laurie Kirsznier and Stephen Mandell believe that students learn to write best when they use their own writing as a starting point In Writing First with Readings Practice in Context designed for the paragraph to essay course Kirsznier and Mandell take seriously the ideas and expressive abilities of developmental students as well as their need to learn the rules of writing and grammar Visual writing prompts that open every chapter get students writing immediately By moving frequently between their own writing writing models and instruction and workbook style mastery exercises students get constant reinforcement of the skills they are learning Thoughtful chapters on college success research and critical reading along with high interest essays round out the text making it the perfect introduction to college writing Read the preface Research in Basic Writing Martin Jacobi, Michael G. Moran, 1990-02-15 This reference handbook surveys research on the central issue associated with the teaching of unprepared writers Though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation This volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers Following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections Social Science Perspectives Linguistic Perspectives and Pedagogical Perspectives The first section which contains three essays views the field through the lens of social psychological and political issues The second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition The third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of

computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers An appendix that reviews current textbooks for basic writing courses is also included as well as an index This book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and Teaching English as a Second Language It will also be an important addition to public and university libraries and many education programs
