The Compass of Character David Corbett, 2019-11-19 Just as a compass provides direction for an explorer so does motivation provide direction for characters in fiction The compass of character motivation is composed of four points Lack Yearning Resistance and Desire In The Compass of Character you ll learn to deeply consider the key question What does my character want and learn techniques to answer that question by writing realistic and empathetic characters without falling into formulaic unsatisfying results that only diminish the character Bestselling author and acclaimed writing instructor David Corbett provides writers with the essentials for building characters with motivations that range from clear to complex by

exploring topics such as human yearning pathological maneuvers the pain of life vs the promise of life backstory and behavior mechanics of growth and transformation dramatizing mistaken desire and misbegotten yearnings moral arguments The key to fascinating characters is rendering subtle inner states in straightforward external circumstances which requires a fundamental understanding of the simple building blocks of complex motivation as they manifest themselves in behavior where complexity of purpose collides with the messy indifferent world The Compass of Character is the one book that can guide writers to that end with both instruction and inspiration The Protagonist's Journey Scott Myers,2022-03-26 Character drives plot Based on this principle this book walks aspiring writers through the fascinating world of character driven screenwriting When a writer engages their characters they start a process which naturally leads to the story s structure and everything else that makes for a well written narrative Exploring the protagonist s journey and their unity arc Myers explains how a family of characters surrounds the protagonist and influences their transformation process This easy to follow guide features activities that will help writers of any level develop their stories from concept to scene by scene outline Based upon a popular workshop Myers has led with over a thousand writers at all levels of experience this book is a must have for screenwriting students both undergraduate and graduate and those looking at advanced story development

Insights From Music Therapy Practice and Research Jessica Atkinson,2025-07-31 This book drawing on the author s 26 years as a music therapist explores experience and evidence in music therapy It asks which experiences count why and what is revealed of the cultures of music therapy when some experience is regarded as evidence and some is not At the heart of music therapy lies a nonverbal phenomenon shared musical encounter Those involved can recognise it and respond without words as insiders However what this experience is and how it relates to evidence is not widely explored in music therapy practice and research Furthermore the investigations which do exist tend to be verbal even when participants are nonverbal As an alternative this autoethnographic book honours the arts based encounters fundamental to music therapy by offering the reader their own arts based experience through poems images and more Through them the reader or Collaborator is invited to consider the other knowing which comes from arts based encounter and its value Using phenomenological and Aesthetic Critical Realist approaches this work argues that relational musical experience central to music therapy is valuable on its own terms as musically mediated therapeutic evidence of personhood This challenges the professional status quo which privileges verbal knowledge creation and evidence measured by outsiders *Women Screenwriters* Jill Neldes,Jule Selbo,2015-09-29 *Women Screenwriters* is a study of more than 300 female writers from 60 nations from the first film scenarios produced in 1986 to the present day Divided into six sections by continent the entries give an overview of the history of women screenwriters in each country as well as individual biographies of its most influential *The DC Comics Guide to Creating Comics* Carl Potts,2013-10-08 The most exciting and comprehensive book yet in the bestselling DC Comics how to draw series From the bestselling DC Comics Guide series this is the essential resource for aspiring comics creators
