The World War I Tommy:

The World War I Tommy Martin Windrow, 1986 Examines the day to day life and experiences of the typical American soldier during World War II Includes a glossary of terms and a brief chronology of the major campaigns of the war *The World War I Tommy* Martin Windrow, 1986-01-01 Examines the day to day life and experiences of the typical American soldier during World War II Includes a glossary of terms and a brief chronology of the major campaigns of the war

Remembering Tommy Peter Doyle, Chris Foster, 2013-10-01 The British soldier of the Great War has been depicted in many books Invariably a pen picture paints him as stoic joining the army in a wave of patriotic fervour and destined to serve four years on the Western Front in some of the most costly battles in history Yet often the picture is difficult to resolve for the reader What was it like in the trenches How did the soldier live where did he sleep What was it like to go over the top and when he did what did he carry with him For many the idea of trench life is hazy and usually involves drowning in mud in as one writer put it the pitiless misery of Passchendaele Recently military historians have presented an alternative picture a picture in which the hopelessness of the First World War is given new life and purpose Remembering Tommy pays tribute to the real life British soldier of the Great War from the moment of joining up to their final homecoming Using original artefacts in historic settings the men and their words are brought to life The uniforms they wore the equipment they carried the letters they wrote home their personal possessions mementos and photographs come together in a powerful tribute to the indomitable Tommy Each one of these precious artefacts bears witness to the men who left them behind allowing us to almost reach out and touch history [Tommy: The British Soldier on the Western Front](#) Richard Holmes, 2011-12-21

Groundbreaking and critically acclaimed Tommy is the first history of World War I to place the British soldier who fought in the trenches centre stage **The Tommy of the First World War** Neil R. Storey, 2017-08-15 A hundred years have now passed since Britain sent hundreds of thousands of men to fight and to die on the Western Front and elsewhere This is the perfect introduction to the life and experiences of the ordinary British soldier *Tommy's War* Peter Doyle, 2020-10-26 The First World War has left an almost indelible mark on history with battles such as the Somme and Passchendaele becoming watchwords for suffering unsurpassed The dreadful fighting on the Western Front and elsewhere in the world remains vivid in the public imagination Over the years dozens of books have been published dealing with the soldier's experience the military history and the weapons and vehicles of the war but there has been little devoted to the objects associated with those hard years in the trenches This book new in paperback redresses that balance With hundreds of carefully captioned photographs of items that would have been part of the everyday life for the British Tommy from recruiting posters uniforms and entrenching equipment to games postcards and pieces of trench art this book brings to life the experience of the Great War soldier through the objects with which he would have been surrounded **A Tommy's Life in the Trenches** Fergus Mackain, 2016-10-15 A unique visual perspective of life in the trenches on the Western Front from the forgotten soldier artist

and Somme veteran Private Fergus Mackain who served in France 1916 to 1917 **Harper's Pictorial Library of the World War** Albert Bushnell Hart,1920 **Tommy, First World War Soldier** Chris McNab,2012-02-01 This Pitkin Guide explores the reality and unpacks the myths of Tommy the British soldier on the Western Front in the First World War It looks at every aspect of his personal experience uniform kit trench cuisine health and hygiene pay training and weaponry It conveys the horrors of the early days of industrial warfare from machine guns and artillery barrages to close quarters combat within the enemy trenches and bunkers and much much more As well as the most visible aspects of the Tommy s experience it also delves into more hidden worlds and answers key questions What did the Tommy do on his rest periods behind the frontlines What caused him to suffer from shell shock and how was he treated How was he punished for disciplinary offences These questions and many more are answered through a factual narrative **From the dawn of the romantic movement to the world war** George Benjamin Woods,1936 **Tommy's Story: The Life Experience of a Salford Man, A British Soldier of World War Two.** A J Denny,2017-07-02 Tommy s story begins in an impoverished Salford of a bygone time It follows Tommy through his childhood and youth This leads into the main part of the story about Tommy s experiences as a British soldier seeing combat in the Libyan Desert with the British 7th Armoured Division which leads to capture and life as a prisoner of war and eventual escape and spectacular journey to reach freedom The story has twists and turns that will keep the reader not knowing how it will finish until the end It contains shocking first hand accounts of war and the harshness of living in a war environment but also moments of hope and endeavour and the laughter of life and romance in the most bizarre of situations The story travels between continents and countries highlighting the importance of how a grasp of different languages can remove cultural barriers and in Tommy s story probably saved his life Cigar Box Lithographs Charles J. Humber,2019-12-05 Just as this publication was ready for the printer a very rare cigar box was listed on an internet auction site Recognizing its rarity and extraordinary appeal a decision was made to bid on it with the hopes of purchasing it As author I won But I also knew that it was too late to include this Davy Crockett cigar box alongside the more than 100 other cigar boxes already headlined and profiled in this particular 200 page volume After winning the bid a final decision was made to illustrate this cigar box on the back cover of this production In so doing readers have a chance to scrutinize a very rare and a one of a kind cigar box Of course any cigar box that lithographically headlines Davy Crockett usually identifies the famous American frontiersman with the Alamo see this Volume page 114 and how he and 200 Texans were killed in 1836 by Santa Anna s 1500 strong Mexican forces A wide spread interest in Davy Crockett ever since has become the norm Tennessee Ernie Ford popularized him in 1955 with his hit The Battle of Davy Crockett John Wayne immortalized Davy Crockett when he played the famous frontiersman in the 1960 Hollywood blockbuster The Alamo The stunning lithographic print on the inside lid of a wooden cigar box made by William Simpson of Massachusetts circa 1900 now highlights this back cover of this book and demonstrates the ultimate bravery of a young Davy Crockett protecting

individuals inundated with a blizzard and petrified of wolves trying to push their way into the pioneer Log Cabin see this Volume pages 108 109 that the legendary frontiersman is valiantly guarding and resolutely defending This Davy Crockett lithographic print is one of the highlight prints of the book **Tommy Goes to War** Malcolm Brown,2020-01-31 The image of the innocent British soldier or Tommy setting off with a spring in his step in 1914 to fight the Great War would not last long Indeed that initial euphoria would soon give way to a deep seated bitterness as these young men endured the horror of the First World War In a new edition of this extraordinary book the uncensored letters diaries documents and many photographs tell the story of the British soldier nicknamed Tommy in their own words While there are flashes of their wit and humour the overwhelming feeling is that of a generation who felt let down by their superiors and left to perish There are visceral terrifying insights into life in the trenches and agonising descriptions of the squalor and privations of war This haunting account also looks at the aggressive drive to recruit more soldiers through the Pals Battalion or Chums Battalion Friends from the same town or village professional bodies or work colleagues among others were encouraged to enlist en masse They would fight together alongside their friends or colleagues Many of them would sadly die together and leave communities wild with grief for a lost generation robbed of a future having barely had a past With a concise analysis of the British Army in the First World War we are reminded of the terror of war the fury the fear and the frustration of what has been described by some as a war typified by the devastating assessment lions led by donkeys Tommy Richard Holmes,2004 Contains primary source material **The Pitkin Guide to Tommy, First World War Soldier** Chris McNab,2012 **The Life of Woodrow Wilson, 1856-1924** Josephus Daniels,1924 United States Lawn Tennis Association and the World War Paul Benjamin Williams,1921 *Tommy, Doughboy, Fritz* Emily Brewer,2014 Brings to life the spirit and experiences of the common man caught up in the war From 1914 18 a new kind of warfare gave rise to a wealth of new terms to describe it For millions of men a terrifying and unfamiliar way of life was described in a shared slang that built their camaraderie and shared experience A host of words in French German English even Turkish and Hindi were exchanged and mistranslated across No Man s Land This array of words and phrases made up the everyday speech of soldiers on all sides and many of the words they coined live on like a mark of the war s influence even today he words they used brilliantly capture the nuances of the conflict and the ordinary soldier s sense of humor in the midst of it Publisher description **What Tommy Took to War** Peter Doyle,Chris Foster,2014-03-10 On the centenary of the Great War comes this poignant look at fifty objects never far from Tommy s side official uniform good luck charms phrasebooks a sweetheart s letter some unexpected and others more familiar With sumptuous original photography and thoughtful text this is life as the ordinary First World War soldier knew it Inside front What Tommy Took To War tells sobering fascinating stories that bring the ordinary Tommy s experiences back to life with poignant immediacy With striking original photography by Chris Foster and expert text from noted historian Peter Doyle it looks in detail at fifty objects that Tommy would have had in his kit and

which would have accompanied equipped and comforted him during his wartime ordeals official uniform training manual cigarettes good luck charms sweethearts letters foreign phrasebook and myriad others Together these artefacts give us a serious and informative yet touching and even occasionally amusing picture of the ordinary soldier s experience of the First World War
