Thematic Units For Third Grade:

Investigations Kanawha County Schools,1991* **Multicultural Literature for Children and Young Adults** Mingshui Cai,2002-10-30 There is much discussion of multiculturalism in education This is especially true of multicultural literature for children and young adults The rise of multicultural literature is a political rather than a literary movement it is a movement to claim space in literature and in education for historically marginalized social groups rather than one to renovate the craft of literature itself Multicultural literature has been closely bound with the cause of multiculturalism in general and thus has been confronted with resistance from conservatives This book discusses many of the controversial issues surrounding multicultural literature for children and young adults The volume begins with a look at some of the foundational and theoretical issues related to multicultural literature The second part of the book addresses issues related to the creation and critique of multicultural literature including the authorship of such works and the role of the reader in determining whether or not a work is multicultural The third looks at the place of multicultural literature in the education of children and young adults Throughout its discussion the book makes extensive references to a large body of multicultural fiction and provides a thorough review of research on this important topic Social Studies Through Children's Literature Anthony D. Fredericks,1991-10-15 Use this activity centered literature based approach to get students excited about social studies These 32 units have summaries of books social studies topic areas lists of content related words curricular perspectives and critical thinking questions as well as myriad activities Fredericks also gives you an excellent annotated bibliography of children s literature and a list of social studies resources **Government** Regina Kilpatrick,1995 A Guide for Developing Interdisciplinary Thematic Units Patricia Roberts,Richard Dean Kellough,2008 Looks at the development of interdisciplinary thematic units covering such topics as content diversity technology and classroom management **A First Aid Thematic Unit for Third Grade Students** Diane E.
