Theological Dictionary of the Old Testament Helmer Ringgren,1974 *Book 15 Bible Translations HC* Kurt Jurgensmeier,2012-10-27 What is the best Bible Because of the myriad of Bible translations Christians have wondered Against much popular opinion we defend the following Dynamic thought for thought translations NIV NLT are superior to more literal word for word translations NASB ESV More literal Bible translations often fail in a critical part of accurate translation producing good contemporary English The criticisms of even great men like John Piper John MacArthur and J I Packer against dynamic Bible translations are either exaggerations errors and or even slanderous against the word of God When a Scripture writer is addressing all Christians it is a good thing to translate the meaning as brothers and sisters instead of just brothers The updated NIV is the overall best translation the NLT a very good one and the ESV an unnecessary one We also provide a chapter offering some suggestions and commentary regarding the best tools for studying and interpreting Scripture

Christianity Today, 1985 **Famine in the Land** Steven J. Lawson, 2003-07-01 Steven Lawson understands how important it is to feed God's people from His Word He is concerned that what started as a genuine attempt to attract a broader hearing by moving away from Scripture has grown into a crisis in the church He is convinced that we must return to expository preaching the man of God opening the Word of God and expounding its truths so that the voice of God may be heard the glory of God seen and the will of God obeyed Lawson calls the church back to Scripture to restore its commitment to let God's own words speak
