Critical Issues in Organizations (RLE: Organizations) Stewart Clegg, David Dunkerley, 2013-05-02 This collection highlights a number of directions in which organization theory could develop It also argues the need for an historical analysis of the sociology of organizations Other issues discussed are the ideological stance of contemporary organization theory and the limiting framework that tends to ignore the wider social context in which organizations exist

Public Affairs and Democratic Ideals Curtis Ventriss, 2021-01-01 We live in an era where many citizens feel increasingly uncertain about their futures having to deal with stagnant wages globalization and wealth and income inequality while at the same time policymakers appear unable or unwilling to reach any viable policy consensus on a wide range of major issues Public Affairs and Democratic Ideals addresses these vexing conditions and the challenge they pose for public management and administration Curtis Ventriss argues for reordering intellectual and policy priorities with a focus on publicness and the role of critical democratic thought in public affairs Too often the assumptions that underlie the prevailing theory and practice of addressing major political and economic problems remain unquestioned with economic and political conflicts displaced into issues of administration and leadership Ventriss calls for a reinvigorated

notion of publicness based in part on a public social science civic experimentation and policies designed and tailored to the unique needs of various publics As a way to move forward this book offers ideas for redefining professionalism promoting civic initiatives and rethinking professional education for public service Organizational Behaviour (RLE: Organizations) Robert Lee, Peter Lawrence, 2013-08-21 Organizations do not have goals only people do Furthermore people within the same organizations have different goals This book takes this as its starting point recognizing that organizations are a dynamic coalition of individuals and groups competing and co operating as they each pursue their various objectives Power is a fundamental part of organizational behaviour but many previous studies failed to recognize its centrality This book remedies this Handbook of Global Leadership and Followership Joan F. Marques, June Schmieder-Ramirez, Petros G. Malakyan, 2023-03-29 This handbook integrates the best leadership and followership theories and practices between the Global North West countries of Western individualistic cultures in Europe North America Australia and Oceania and the Global South East countries of Eastern collectivistic cultures in Asia Africa South America and South East Asian and Oceania There is a need to bring the Global North West and the Global South East together to address global challenges such as the climate change global hunger and poverty domestic and international terrorism social justice gender inequality and domestic and global abuse of human and natural resources This innovative volume proposes that the democratic leadership of the Global North West and the human centered followership of the Global South East can transform the world if leadership and followership values education and practices are integrated It utilizes findings from positive psychology social psychology organizational behavior and world religions and contemplative wisdom traditions to highlight the case for global leadership and followership **Interdisciplinary Dialogues on Organizational Paradox** Rebecca Bednarek, Miguel Pina e Cunha, Jonathan Schad, Wendy K. Smith, 2021-07-08 Interdisciplinary Dialogues on Organizational Paradox is an innovative two part volume that enriches our understanding about paradox Part B continues the exploration of the why how and where of interdisciplinary research within paradox theory by looking at the realms of social structure and expression **The Routledge Companion to Talent Management** Ibraiz Tarique, 2021-08-18 The field of Talent Management has grown and advanced exponentially over the past several years as organizations large and small public and private global and domestic have realized that to gain and sustain a global competitive advantage they must manage their talents effectively Talent Management has become a major theoretical and empirical topic of intellectual curiosity from various disciplinary perspectives such as human resource management arts and entertainment management international management etc This Companion is an indispensable source that provides an authoritative in depth and comprehensive examination of emerging Talent Management topics Divided into five thematic sections that provide a unique overarching structure to organize forty one chapters written by leading and renowned international scholars this Companion assesses essential knowledge trends debates and avenues for future research in a single volume Evolution and Conceptualization of Talent Management The

External Context of Talent Management The Internal Context of Talent Management Individuals Workforce and Processes of Talent Management and Outcomes of Talent Management In this way the Companion is essential reading for anyone involved in the scholarly study of Talent Management including academic researchers advanced postgraduate and graduate students and management consultants For further debate on Talent Management readers might be interested in the supplementary volume Contemporary Talent Management A Research Companion sold separately **Power, Rule and Domination**
