Thrive Dare To Live Like Jesus Higher Series:

Thrive Kevin Johnson, 2009-12-15 Sadly studies show that there are few differences in the attitudes and actions between people who claim to be Christians and those who don't choose that label. But everything we read in the Bible says we should be transformed; we should be different than the rest of the world. What would it look like if you lived the life God desires for you? How would your life be different if you abandoned your typical routine and refused to settle for anything less than the best God has in store for you? In *Thrive* you'll find 20 life impacting studies that will draw you into the Bible and help you understand who you are and who God wants to help you become. You'll discover what the Bible says about how God made you, what kind of life he has planned for you, and how you can survive the tough times of your life. Even if you struggle to keep your faith alive at times, God wants to help you thrive. The reality is God loves us just the way we are, but he also loves us too much to leave us that way. Soar Kevin Johnson, 2009-10-06 When you stop to think about your future, you might be excited, or confused, or just totally scared. But when you know where you're going, or at least who's leading you towards your future, you can take that giant leap with confidence. With all the influences in your life pushing you one way or another, it's good to know that you can count on God to guide you once you catch on to his plans. Nobody expects you to have it all figured out by the time you finish this book. But you'll be on your way to understanding who you are and how you can make the most out of your life. In *Soar* you'll find 20 hands-on studies that provide vital insights into how God made you and how he plans to lead you step by step through life. You'll be better able to prioritize the important things in your life; you'll know what it means to be a willing follower of God and choose to go his way because you want to; and you'll discover how to live without fear of the future because you're never alone on the journey. Even when you have no idea where your life is headed, you can take comfort in the fact that God does.

Me Too Dorothy Elowise Carter, 2015-10-09 *Me Too* is a collective work of poems and short writings written by the author as she was inspired by God. They were given to her to help her make sense of the many issues in her life, such as childhood molestation, spousal abuse, and low self-esteem, amid other issues and disappointments. She is remarkably candid about her shortcomings and mistakes in life and shares with the reader how God strengthened her to overcome. However, even more remarkable, she is also candid about some of her present struggles as well and her hope in God for complete healing in these areas in her life. In doing this, she is in accordance with the scripture James 5:16 which reads: "Confess your faults one to another and pray one for another that ye may be healed. The effectual fervent prayer of a righteous man availeth much." Therefore, as you read about her shortcomings, pray for her healing, as she is praying for you to be healed as well. Yes, the inspirations in this book were given to the author to help her heal and overcome; however, this book was written to help you overcome and heal. Therefore, as you read these pages, allow the Holy Spirit to do his work. The Pulpit Commentary, Volume 7 Spence-Jones, Henry, 2015-08-14 The *Pulpit Commentary* was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men.
