

A close-up, high-contrast photograph of a person's face, focusing on their brown eyes and nose. The lighting is dramatic, with strong highlights and shadows, creating a textured, almost painterly effect. The person's skin appears to have a dark, possibly tattooed or heavily shadowed pattern on the right side of their face.

Through These Brown Eyes A Novel:

Through These Brown Eyes Poketa L. Moore, 2014-11-07 Strong willed and sassy southerner Kaleeta Bryant can never seem to catch a break in life Exposed to mental and sexual abuse early in life makes her question her self worth and existence constantly landing her into one bad situation after another After she goes through a lengthy depression a stroke of good luck finally comes her way Kaleeta meets the love of her life Kennys a sexy charming northerner who instantly sweeps her off her feet and spoils her rotten When the truth comes out about Kennys nasty drug habit and cheating ways Kaleetas world is turned upside down Completely crushed and fed up with small town living and the drama that comes with it Kaleeta relocates to Miami Florida for a fresh start only to find that the demons of her past coupled with the temptations of the fast paced city life lands her on a bumpy road to self destruction

Through These Brown Eyes Angelica Robles, 2021-11-04 Angelica Robles is a skilled investigator who has worked at various levels of government In *Through These Brown Eyes* the tables have turned investigator becomes confessor telling the truth the whole truth and nothing but the truth so helped by her God Having lived her early years in Mexico followed by a childhood in a rough Chicago neighborhood Angelica Robles understands the meaning of adapt and survive Childhood injuries and abuse resulted in a thick skin a negative turned to a positive which she put to good use during the most extreme criminal investigations over the course of her professional career In a profession dominated by men nothing would hold her back However a career is only one aspect of a life lived to the fullest Love sex murder drugs betrayal adrenaline are you ready for this ride The ride is not yet to its destination but Angelica Robles is driving on a boulevard to rebirth She hopes that by sharing the bumps in her own road the road for others may become smoother

Reconstructing the Native South Melanie Benson Taylor, 2012-01-15 In *Reconstructing the Native South* Melanie Benson Taylor examines the diverse body of Native American literature in the contemporary U S South literature written by the descendants of tribes who evaded Removal and have maintained ties with their southeastern homelands In so doing Taylor advances a provocative even counterintuitive claim that the U S South and its Native American survivors have far more in common than mere geographical proximity Both cultures have long been haunted by separate histories of loss and nostalgia Taylor contends and the moments when those experiences converge in explicit and startling ways have yet to be investigated by scholars These convergences often bear the scars of protracted colonial antagonism appropriation and segregation and they share preoccupations with land sovereignty tradition dispossession subjugation purity and violence Taylor poses difficult questions in this work In the aftermath of Removal and colonial devastation what remains for Native and non Native southerners to be recovered Is it acceptable to identify an Indian lost cause Is a deep sense of hybridity and intercultural affiliation the only coherent way forward both for the New South and for its oldest inhabitants And in these newly entangled postcolonial environments has global capitalism emerged as the new enemy for the twenty first century *Reconstructing the Native South* is a compellingly original work that contributes to conversations in

Through These Eyes Donna Maree Hanson, 2018-07-30 Through These Eyes Have you ever wondered what is real Are everyday things just as they seem or is there a secret world just beyond our perception One that bends and shifts as it hides from our sight Eleven tales of speculative fiction from Australian author Donna Maree Hanson **Life Through These**

Eyes Michael S. Lambiotte, 2017-04-26 Remember this as you read Life Through These Eyes Vol II There is always a story within a story I am often asked Are your characters real Oh yes they are all real very real to me I loved a few disliked many and spent years trying to forget some The book covers six decades of my lifestories of love exceptional friendships pets raising humans marriage at its best and worst really mean people holiday memories men being men and much more At age fifty eight I discovered I had a message I wanted to share A message that contained memories from childhood to retirement wonderful and sometimes painful life lessons praise and criticism regarding my community and events and people that made me angry and disillusioned I found an outlet for many hurtful experiences Also I found a way to channel my political feelings Writing became my therapist **After the Flashback: The Flashback/Dinosaur Apocalypse Trilogy, Book Two** Wayne Kyle Spitzer, 2022-09-24 First came the time storm which erased half the population Then came the dinosaur apocalypse How did it all begin That depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn't take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn't take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Welcome to the world of the Flashback a world in which man's cities have become overgrown jungles and extinct animals wander the ruins You can survive here if you're lucky and if you're not in the wrong place at the wrong time which is everywhere all the time But what you'll never do is remain the same for this is a world whose very purpose is to challenge you for better or for worse It is a world where frightened commuters will do battle with murderous bikers even as primordial monsters close in and others will take refuge in an underground theme park only to find their worst enemy is themselves Where ordinary people never do wells on a cross country motorcycle trip a woman on a redeye flight to Hell a sensitive boy stricken with visions of what's to come will find themselves in extraordinary situations and a gunslinger and his telekinetic ankylosaurus will embark on a dangerous quest A world where travelers will be trapped with an unravelling President of the United States and a band of survivors will face roving packs of monsters and men in post apocalyptic Seattle where rioting

teenagers will face deadly predators as well as their own demons while ransacking the nation's capital where a Native American warrior will seek to bury his past and offer an elegy for all the Earth in what remains of Las Vegas In short it is a world where anything can and will happen So take a deep dive into these loosely connected tales of the Dinosaur Apocalypse each of which can be read individually or as a part of the greater saga tales of wonder and terror death and survival blood and beauty Do it today before the apocalypse comes Dark Horses: The Magazine of Weird Fiction No. 21 | October 2023
