Though I Walk Through The Valley Timothy W. Scott, 2022-10-13 Walking the painful path of divorce leaves us feeling isolated despaired and doubtful of any happiness and peace again While the narratives shared in this book are theirs alone there are great commonalities Each is full of pain but even in the valley of messy broken and death filled relationships there is relief healing and hope in every story You will find hopeful reassurance in and through the raging storms and valleys of shattered relationships No matter the wounds Tim Scott reminds us there is a healing balm that sustains us if we will make the choice to turn to Christ in our brokenness We have every reason to hope Terry W Pollard pastoral coach and mentor Des Moines Iowa The weaving of the experience of different people of both genders and ages along with strong biblical reference and relevance creates an undeniable picture of the human condition In reading this book God will stretch your thinking and sensitize your heart to the heart of this painful reality A must read for anyone interested in representing the real Jesus to a broken world Pastor Ernest Mullins Raleigh North Carolina As a pastor and child of divorce I found Though I Walk through the Valley a heartfelt gut wrenching and hopeful story of walking through the valley of divorce This book is a great resource for those who find themselves in the heartbreaking situation of a broken dream and marriage God's grace will walk with you every step of the way Pastor Gina Colburn BreakPointe Community Church Overland Park Kansas I believe that Though I Walk through the Valley will be a very helpful resource both to those who have gone through a divorce or who are on the verge of going into one Most of us in the church are unaware of the opportunity for ministry among those we know who are going through this valley This book will be a great resource in helping the church understand the struggles of an individual going through a divorce Pastor Shawn DeOrnellis Milton Washington Sharing many people's stories makes Though I Walk through the Valley very relatable I believe God is going to use this book to minister to many Pastor Dan Menefee Crossroads Wesleyan Church

Rapid City South Dakota **"Almost There" Walking through the Valley** Jack Weitzel, 2018-06-25 Just a few moments before his death my father looked straight ahead and with a calm voice said to me Almost there It has been 20 years since his homeward journey and I have been haunted by those words What was he seeing that we couldn't see In my career as a surgeon and a witness for Christ I have observed many deaths when the last moments were calm and unafraid Four years as a hospice volunteer brought me even more intimate with those last moments I think that the valley David wrote of could also represent moments of extreme circumstances in our lives when we are in the Shadow of death an automobile accident with severe injuries the sudden loss of a child or spouse the loss of a career a consuming fire a devastating flood the birth of a stillborn Do you have the Good Shepherd to guide you through these times We only have this moment this breath Tomorrow is not promised to anyone Do you have the peace of God that surpasses all understanding Are you ready to walk through the valleys of your life Come with me as I walk through the valley of the hospice and witness the grace and comfort that only God can provide for us Journey with me and meet my Lord There will be stops along the way as we see how the world deals with the valley I pray that this book might be a life changing experience for you as we journey to Almost there
