TRUCK REEDED DOWN—Gates and people were drenched in a hair-shirt five miles south of Throckmorton on Highway 162 at 9 a.m. Tuesday when the bed of a Pioneer Gate and Panel Co. truck east of Chiles overturned. Mike Baker, driver of the truck, said he was on his way to Oklahoma City when he felt the bed shift. He pulled the truck off the side of the road to lighten the load when the wheels of the bed slipped on the incline dumping its contents. Baker said he was driving the truck full with it. The cab of the truck remained upright and Baker escaped unharmed. The truck was carrying 100,000 lbs. of material.

Bloodmobile Will Be Here Aug. 11

The second visit of the Red River Regional Red Cross Blood Center mobile unit will be in Theockerson Aug. 13 from 8 until 9 p.m. at the high school. The last visit was March 17 when 33 pints of blood were donated.

The Red Cross Blood Center in Wichita Falls carefully monitors the collection, storage and distribution of blood available at the hospital in 13 Texas counties and across Oklahoma counties. Some blood is also available at all times.

For all residents who live in Queen counties, the Red Cross will replace all blood used regardless of where they are hospitalized. The resident must notify Red Cross of the need for replacement. The blood program, however, is not limited to blood use while the patient lies in hospital. It also covers blood use in the home of the patient.

Replacement cannot be made until the owner is advised that blood was used, by whom and that replacement is desired. Since the blood is donated by volunteers and only the processing charges are made, blood will not show up as much as otherwise in the record.

Four donors, for a period of one year after their last donation, the Red Cross will replace blood for the following members of their family who live elsewhere: children under 18 years of age, children over 18 who cannot find blood donors, parents and patients in law, grandparents and grandmothers in law.

It is hoped that these important County residents will support us now when called by institutions, and that they spend at least 100 plants with us.

Other registered nurses and basic EMT's are needed, and any additional help will be appreciated. Please call 313-437-3333.
