ARMED AND DANGEROUS—These six Soviet jet Army (Russian) Ground Headquarters, that government said it was intercepting enroute to the anti-Armistice Line (South Korean), have been in that field for collective training, reports of Soviet jet, anti-aircraft and ground.

1. The first step in the process of identifying a problem is to define the problem. This involves identifying the symptoms of the problem and determining the scope of the problem. For example, if a company is experiencing a decline in sales, the first step would be to identify the symptoms of the decline and determine the scope of the decline.

1. The first step is to identify the problem. This involves understanding the current situation and what needs to be changed.

—The new membership right before the year-end election for delegates will be a factor in the fight for the 2000 presidential nomination, says Chris McGovern, executive director of the American Labor Education Fund, which is sponsoring the referendum. The union movement is "the only force that can bring about a change in the political system," he says. ■

CHARGES IN EMPLOYMENT — The Department of Labor has announced that it will investigate the charges that the National Labor Relations Board (NLRB) made against the company in 1977. The NLRB charged that the company had violated the National Labor Relations Act by firing the union leader, and by firing other employees for reasons related to their union activities. The company has denied the charges and has filed a petition for enforcement of the NLRB's order with the U.S. District Court in New York.
