Thy Kingdom Come Studies In Daniel And Revelation:

Thy Kingdom Come R. J. Rushdoony, First published in 1970 this book helped spur the modern rise of postmillennialism Revelation s details are often perplexing even baffling and yet its main meaning is clear it is a book about victory It tells us that our faith can only result in victory This is the victory that overcomes the world even our faith 1 John 5 4 This is why knowing Revelation is so important It assures us of our victory and celebrates it Genesis 3 tells us of the fall of man into sin and death Revelation gives us man s victory in Christ over sin and death The vast and total victory in time and eternity set forth by John in Revelation is too important to bypass This victory is celebrated in Daniel and elsewhere in the Bible We are not given a Messiah who is a loser These eschatological texts make clear that the essential good news of the entire Bible is victory total victory *Thy Kingdom Come* Rousas John Rushdoony,1978 **Studies in the Scriptures: Thy kingdom come** Charles Taze Russell,1914 *Thy Kingdom Come* Jerry Huerta,Marsue Huerta,2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as compared with the traditionalist s view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3 *The Preacher's Commentary - Vol. 21: Daniel* Sinclair B. Nasongo, 2019-01-01 The author discusses three major hermeneutical views concerning the fulfillment of the promises God made in the Davidic Covenant that is a house dynasty a kingdom realm and a throne right to rule He shows how the adherents of each view differ regarding the timing and nature of the fulfillment of each aspect He also investigates the hermeneutical methodology of each view to determine how they arrived at their conclusions and then he analyzes their conclusions from an exegetical perspective Furthermore he explains in detail and defends the view he considers to be biblical Most of all in an age where compromise on biblical interpretation has become the norm he encourages his readers to interpret the Scriptures according to the normal laws of language in order to arrive at their intended meaning I am honored to endorse this book for Patrick Nasongo His extensive research reveals why three prominent evangelical approaches differ in their interpretations of the fulfillment of the Davidic Covenant His analysis is fair and the reader will learn much about each methodology Larry A Tyler Ph D Dean Bowman School of Bible Theology Temple Baptist Seminary Thy Kingdom Come Volume One Mark Atkinson, 2013-05-22 Every prophecy in the Bible about Jesus Christ's first coming was fulfilled in minute detail The Bible also tells us that He will come a second time and establish the Kingdom of God in the whole earth Christians in the first century had a detailed knowledge of what will take place in future They understood how God's plan would unfold They also understood what God said about preparing for that time ahead Indeed they set the example for the generation that will see the Lord return How can Christians today learn these truths What does the Lord want us to do How should we prepare for the time ahead It is clear from the Scriptures that no Christian today should be ignorant of these matters This book has the answers It shows from the Scriptures what God wants us to understand It choreographs future events It exposes the Lie which Satan uses to deceive mankind But most importantly this book will equip you to stand strong It is the Lord's will that you are prepared to meet Him at His glorious coming *The Battle for God* Karen

Armstrong, 2011-08-10 In the late twentieth century fundamentalism has emerged as one of the most powerful forces at work in the world contesting the dominance of modern secular values and threatening peace and harmony around the globe Yet it remains incomprehensible to a large number of people In *The Battle for God* Karen Armstrong brilliantly and sympathetically

shows us how and why fundamentalist groups came into existence and what they yearn to accomplish We see the West in the sixteenth century beginning to create an entirely new kind of civilization which brought in its wake change in every aspect of life often painful and violent even if liberating Armstrong argues that one of the things that changed most was religion People could no longer think about or experience the divine in the same way they had to develop new forms of faith to fit their new circumstances Armstrong characterizes fundamentalism as one of these new ways of being religious that have emerged in every major faith tradition Focusing on Protestant fundamentalism in the United States Jewish fundamentalism in Israel and Muslim fundamentalism in Egypt and Iran she examines the ways in which these movements while not monolithic have each sprung from a dread of modernity often in response to assault sometimes unwitting sometimes intentional by the mainstream society Armstrong sees fundamentalist groups as complex innovative and modern rather than as throwbacks to the past but contends that they have failed in religious terms Maintaining that fundamentalism often exists in symbiotic relationship with an aggressive modernity each impelling the other on to greater excess she suggests compassion as a way to defuse what is now an intensifying conflict BONUS This edition contains an excerpt from Karen Armstrong's Twelve Steps to a Compassionate Life

Sayyid Qutb's Radical Islamism and the Comparative Political Theology Dragos

Stoica, 2024-12-15 Sayyid Qutb's Radical Islamism and The Comparative Political Theology argues that Sayyid Qutb's radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb's political theology of Hakimiyyah God's Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Qutb's critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Corte's 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God's Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti modern political theology Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God's Sovereignty placed within a larger cross cultural paradigm this book contributes as well to the necessary process of decolonization of political theology
