Tiger Hound How We Won The War And Lost The Country:

Tiger Hound Ken Welch, 2010-03-17 In 1963 communist insurgency was in its infancy Then South Vietnam's President was assassinated and its government was in turmoil Soon America found itself embroiled in war and secret wars The enemy suffered horrible casualties but were handed victory The Myths of Tet Edwin Moise, 2017-11-21 Late in 1967 American officials and military officers pushed an optimistic view of the Vietnam War Military Assistance Command Vietnam MACV said that the war was being won and that Communist strength in South Vietnam was declining Then came the Tet Offensive of 1968 In its broadest and simplest outline the conventional wisdom about the offensive that it was a military defeat for the Communists but a political victory for them because it undermined support for the war in the United States is correct But much that has been written about the Tet Offensive has been misleading Edwin Moise shows that the Communist campaign shocked the American public not because the American media exaggerated its success but because it was a bigger campaign larger in scale much longer in duration and resulting in more American casualties than most authors have acknowledged MACV led by General William Westmoreland issued regular estimates of enemy strength in South Vietnam During 1967 intelligence officers at MACV were increasingly required to issue low estimates to show that the war was being won Their underestimation of enemy strength was most extreme in January 1968 just before the Tet Offensive The weak Communist force depicted in MACV estimates would not have been capable of sustaining heavy combat month after month like they did in 1968 Moise also explores the errors of the Communists using Vietnamese sources The first wave of Communist attacks at the end of January 1968 showed gross failures of coordination Communist policy throughout 1968 and into 1969 was wildly overoptimistic setting impossible goals for their forces While acknowledging the journalists and historians who have correctly reported various parts of the story Moise points out widespread misunderstandings in regard to the strength of Communist forces in Vietnam the disputes among American intelligence agencies over estimates of enemy strength the actual pattern of combat in 1968 the effects of Tet on American policy and the American media's coverage of all these issues

told before supported by dozens of rare and unusual photographs Together they describe in adrenalin pumping accuracy the furious aerial battles of a long suffering and bitter war in South East Asia and in particular the frontline action in the skies over Vietnam that will keep readers on the edge of their seats They too will find a new and useful perspective on a conflict that cost the Americans 58 022 dead and brought the USA worldwide condemnation for its role in Southeast Asia Nearly 2 500 Americans remained missing This work serves as a tribute to the courageous pilots who flew the F 104 Starfighter in the Widowmakers war and B 52 bomber crews on Arc Light Linebacker II strikes and the eleven days of Christmas which ultimately ended the aerial campaign against North Vi tnam And as well strike aircraft such as the USAF F 4 Phantom and the F 105 Thud and the US Navy carrier borne jet and propeller driven strike aircraft and the Americans sworn enemy the North Vi tnamese MiG fighters feature large from Rolling Thunder onwards Equally the Hueys and Chinooks and other notable work horses that participated on combat assaults or Ash Trash missions and transports like the C 130 Herky Bird C 123 Provider Caribou and Vi tnamese C 47 the Haulers On Call that performed sterling service during the gruelling air campaign are not forgotten either Here at first hand are their stories which also include some of the less publicised American forces like the pilots and crewmen who flew the Bird Dogs and all manner of helicopters as well as the largely forgotten Australian and New Zealand Air Force units and the Anzac Battalions whose valuable contributions are too often overlooked So too is the cost in human misery death and destruction **The Dog Fancier** ,1928 *The Dog Fancier* Eugene

Billy G. Webb,2016-06-10 From 19611975 the United States found itself embroiled in two wars in Southeast Asia but for most of that time the citizens of our country were aware of only one While scenes from Vietnam made the national news few Americans knew that their countrymen were also fighting a secret war in the tiny kingdom of Laos Billy G Webb s book peels back the layers of secrecy revealing the truth about a conflict waged below the radar against the relentless forces of Communism His story celebrates the near forgotten sacrifices of not just the United States and allied soldiers but courageous civilians as well *Reformatory Press* ,1913
