Tigers Animals On The Brink:

Animals on the Edge Katja Falt,2023-12-31 Was there a horse sense in the medieval period Why did word licking dogs inhabit manuscript borders The seven intriguing articles in this publication explore animals on the edge and the boundaries between humans and animals These articles provide insights into the discussions in animal studies and medieval studies about the multiple roles of medieval fauna challenging our understanding of how animals were understood in the Middle Ages The authors of the articles demonstrate how humans have always constructed animals but also have been constructed by animals The examples are drawn from manuscripts fables textual and visual accounts as well as material culture This publication raises interesting aspects about the profound and ambiguous relationship between animals and humans edges and boundaries hybridity and anthropomorphism ideas and identities

A Tiger's Last Song Kevin Smelt,2013-11-19 In the year 1902 in the temperate forests of Tasmania a young Tasmanian Tiger is captured by poachers in the night and sold to a zoo in Hobart In his time in captivity Kaii catches the attention of a German Zoologist named Steven Guiller who takes it upon himself to study Kaii and learn from him so he can better understand Kaii s kind and in turn help the species that is rapidly declining under the oppressing claws of human ignorance Now Kaii and Guiller must learn about each other s worlds and team up to try to change the minds of the Tasmanian government to drop the bounty on the species

Animals on the Edge Sandy Pobst,2008 Stresses the importance of saving endangered species and discusses how scientists are using the latest technology to survey animal populations to track down and arrest those who prey on endangered wildlife and to breed animals in captivity

The Journey Morris Katz,2004 Do you really know where how and why your religion was founded For those who can no longer reconcile his religion with present day knowledge and lifestyle this book will prove an enlightened alternative

What are the Animals to Us? David Aftandilian,2007 In What Are the Animals to Us scholars from a wide variety of academic disciplines explore the diverse meanings of animals in science religion folklore literature and art

Forestry in Karnataka - a Journey of 150 Years DIPAK SARMAH,2019-03-04 The book traces the history of forestry since the middle of the 19th century in the erstwhile territorial units that constitute the present state of Karnataka in India It provides glimpses of the forest policy and management of the British Indian government which had laid the foundations of scientific forestry in the Indian subcontinent A chronological account of the development of national forest policies plans and strategies in post independent India has also been given in the context of their impact on forest management in the states The book dwells comprehensively on multifarious aspects of forestry including the challenges faced by a forester in a situation of increasing demand and shrinking forest It highlights the strengths and weaknesses of the forest administration and recommends strategies to protect the remaining natural forest and to increase the tree cover everywhere to effectively confront the specter of environmental catastrophes facing the planet earth The book has brought out the inseparable and intrinsic relationship of mutual interdependence between forest and water two of the most important natural resources on

which the future of mankind depends and calls for urgent action With detailed data analysis and inferences derived with an open mind the book forms a reference document for the present and future foresters Problems of the forestry sector in the developing world are similar Although the book focuses on the forestry scenario in Karnataka lessons learned and strategies recommended for forest conservation are relevant across a larger landscape with similar challenges and problems An Introduction to Animals and Visual Culture R. Malamud,2012-05-30 A fascinating exploration of the way in which animals are framed contextualized decontextualized in contemporary visual culture Written in a highly engaging style this book challenges the field dealing with some highly controversial aspects of animal exploitation and boldly examines material that is seldom discussed within animal studies A Textbook of Animal Behaviour Hoshang S. Gundevia | Hare Govind Singh,2009 This textbook is an introduction to the Science of Animal Behaviour Presently this subject is introduced in most of the Indian Universities in B Sc IIIrd year and Post graduate classes **Animals in China** Deborah Cao,2015-08-25 Just as China is called the world factory for manufactured goods it is also a world factory for manufactured animal cruelty in a new phenomenon of globalized animal cruelty *Animals in China* examines animal protection in China in its legal social and cultural contexts *The Inhuman Empire* Sadhana Naithani,2024-05-20 This book is a study of selected texts of British writings on Indian wildlife published between 1860 and 1960 Set in the context of British colonial rule in India this book also reflects on similar situations across the British Empire and other colonial empires The destruction of wildlife in the making of empires is a subject not yet fully explored in scholarship This book aims to speak to global concerns regarding the extinction of several species and shows that the crisis has international roots *The Inhuman Empire* breaks new grounds as it juxtaposes colonial narratives to folk narratives These two types of narratives treat nonhuman animals very differently folk narrative considers them sentient beings while colonial narratives see them as game and do not care for their sentience Both types of narratives are further evaluated with reference to the contemporary position of natural sciences regarding animal sentience and of anthropologists and philosophers regarding the relationship between nature and culture Analyzing colonial accounts of hunting the author looks at the pain and suffering of nonhuman animals and combines statistics alongside narratives of British writers Indian populace and nonhuman animals in order to show narratives reflect and impact reality This book will be of great value to those interested in Animal Studies Folkloristics the history of Colonialism and India Sign up here for the table talk on Sadhana Naithani s book *Indian Animal Studies Collective Table Talk Ep 37* mailchi mp
