

The cover of the TIME Annual 1994 is set against a dark, starry background. A large, glowing, orange and yellow comet tail, representing the collision of comet Shoemaker-Levy 9 with Jupiter, curves across the center. The title 'TIME' is in large, red, serif capital letters at the top. Below it, 'ANNUAL' is in smaller, white, sans-serif capital letters. The year '1994' is in large, bold, yellow, sans-serif numbers. Below the year, 'The Year in Review' is in a smaller, yellow, serif font, and 'By the Editors of TIME' is in a small, white, sans-serif font at the bottom of the central text block. A red rectangular border frames the central text.

No One Was Turned Away Sandra Opdycke, 2000-09-28 No One Was Turned Away is a book about the importance of public hospitals to New York City At a time when less and less value seems to be placed on public institutions argues author Sandra Opdycke it is both useful and prudent to consider what this particular set of public institutions has meant to this particular city over the last hundred years and to ponder what its loss might mean as well Opdycke suggests that if these public hospitals close or convert to private management as is currently being discussed then a vital element of the civic life of New York City will be irretrievably lost The story is told primarily through the history of Bellevue Hospital the largest public hospital in the city and the oldest in the nation Following Bellevue through the twentieth century Opdycke meticulously charts the fluctuating fortunes of the city s public hospital system Readers will learn how medical technology urban politics changing immigration patterns economic booms and busts labor unions health insurance Medicaid and managed care have interacted to shape both the social and professional environments of New York s public hospitals Having entered the twentieth century with high hopes for a grand expansion Bellevue now faces financial and political pressures so acute that its very future is in doubt In order to give context to the Bellevue experience Opdycke also tracks the history of a private facility over the same century New York Hospital By noting the points at which the paths of these two mighty institutions have overlapped as well as the ways in which they have diverged this book clearly and persuasively highlights the significance of public hospitals to the city No One Was Turned Away shows that private facilities like New York Hospital have generally provided superb care for their patients but that in every era they have also excluded certain groups This exclusion has occurred for various reasons such as patients diagnoses their social characteristics behavior or financial status or simply because of a lack of unoccupied beds Fortunately however year in and year out Bellevue and its fellow public facilities have acted as the city s medical safety net Opdycke s book maintains that public hospitals will be as essential in the future as they have been in the past This is a thoughtful and well

written study that will appeal to anyone interested in the history of medicine public policy urban affairs or the City of New York *Interpreting Chinese Foreign Policy* Quansheng Zhao,1996 This work applies the micro macro linkage approach to Chinese foreign policy It analyzes the effect of the international environment and domestic constraints exploring the key trends of modernization nationalism and regionalism reviewing literature an **The Debt Trap** Sebastien

Canderle,2016-09-19 This is the inside story of private equity dealmaking Over the last 40 years LBO fund managers have demonstrated that they are good at making money for themselves and their investors But when one looks beneath the surface of the transactions they engineer it is apparent that these deals can at times go spectacularly wrong Through 14 business stories all emanating from the noughties credit bubble and including headline grabbing names like Caesars Debenhams EMI Hertz Seat Pagine Gialle and TXU The Debt Trap shows how via controversial practices like quick flips repeat dividend recaps heavy cost cutting and asset stripping leveraged buyouts changed for better or for worse the way private companies are financed and managed today From technological disruption in the worlds of music recording and business directory publishing to economic turbulence in the gambling real estate and energy sectors highly levered corporations are often incapable of handling market corrections when debt commitments start piling up Behind the historical events and the financial empires erected by some of the elite private equity specialists these 14 in depth case studies examine how value maximising techniques and a short cut mentality can impact investment returns and portfolio assets Whether you are a PE practitioner investor business manager academic or business student you will find The Debt Trap to be an authoritative and fascinating account **Intertwining:** Steven Holl,1996-04 To his earlier articulated concept of anchoring which connects a construction with the history of the ground locale and region Holl adds the concept of intertwining which is illuminated by sensory perceptual conceptual and emotional experiences Illustrates with drawings plans and photographs projects in Japan Finland Germany Switzerland Holland Korea and Norway No index Annotation copyright by Book News Inc Portland OR

America's Teenagers--Myths and Realities Sharon L. Nichols,Thomas L. Good,2004-07-19 The media s presentation suggests that American teenage culture today is the most violent sexual and amoral youth culture in history In this book Nichols and Good deconstruct the negative images held by large numbers of adults Recognizing that many teenagers are left by adults to socialize themselves and the consequences of this careless indifference the authors goal is to influence a more positive view leading to stronger social policies and better services resources and programs to meet the needs of America s youth Unique features of America s Teenagers Myths and Realities Media Images Schooling and the Social Costs of Careless Indifference include powerful analytic lenses used to revisit typical depictions of youth a wealth of information brought to bear on understanding teenagers behavior and consideration of a broad range of adolescent behaviors across critical socializing settings The book begins with a discussion of the continuing myth of adolescence how and why youth are devalued and an overview of current beliefs about youth drawn from two 1990s Public Agenda Polls This is followed by chapters on

youth and the media and the pressures that youth face in various dimensions of their lives Topics include youth violence the sex lives of teenagers tobacco alcohol drugs and teens healthy living and decision making working teens and youth and education The concluding chapter pulls together themes generated throughout the book and provides examples of policies that would underscore the value of viewing youth as a social investment General guidelines are provided for teachers parents policymakers and citizens to facilitate responding to youth in meaningful proactive ways that improve the quality of life for teenagers and the broader society
