Time Magazine The Flying Fondas:

Jane Fonda Patricia Bosworth, 2011 In the hands of a seasoned tenacious biographer the evolution of one of the century's most controversial and successful women becomes nothing less than the enthralling saga of a mythic American life **A is for Archive** Matt Wrban, Blake Gopnik, Neil Printz, 2019-01-01 Showcasing the artist's vast and personal archive this carefully researched book unveils an eclectic selection of objects including artworks fashion photographs and ephemera everything from Autograph to Zombies **The Fondas** Peter Collier, 1992 Spanning from Henry Fonda's arrival in 1935 Hollywood until his death in 1982 and Jane's breakup with Tom Hayden in 1988 Collier reveals the unvarnished truth about the Hollywood dynasty in this first biography on all three Fondas a fascinating portrait of a talented family who seemed to have it all but never really did 32 pages of photographs **The Complete History of the Vietnam Conflict (Le Comédie Vietnamien)** V. I. Brown, 2011-03-18 SUMMATION OF A POPULAR WAR Author V I Brown wrote this memoir from authority He grew up with the war participated as a member of the military and then observed its aftermath He provides a penetrating chronological examination of the war's policies politics judicial decisions public opinion and reflection in the popular culture As he examines such complex topics as anti war sentiment dissent within the military and the galvanizing of the clergy against the war Brown offers an in depth glimpse into the turmoil and emotions spawned by the war that gripped the nation for over a decade Herein one will find a more complete chronological examination of the Vietnam Conflict than has previously been available All of the factors which compelled the U S to intervene in a foreign civil war are spelled out in vivid detail from the war's inception to its termination Also examined is the climate within the national and international communities which led up to the conflict This book details how the war was an exercise in deception in futility in the power of ego and also a lesson in how the U S contradicted its own ideals Further the author affirms what others including CBS News and The New York Times contended during and after the conflict that the government almost continually promulgated deceptive information in order to justify continued pursuit of the war In the end the reader will comprehend that it was all for nothing and indeed that the former enemy earned what a U S President wanted for Vietnam Herein one will further observe the war's impact on the lives of the many players in the comedy both major and minor who were elevated to the stage of one of the great events of history The degree to which the war reverberates in U S society is also examined in detail As of this writing the war is still in the national consciousness **The New York Times Magazine**, 1999 Andy Warhol Andy Warhol, 1989 More than 600 illustrations of Warhol's works from the fifties to the eighties **Last Stand** Todd Wilkinson, Ted Turner, 2013-03-21 Entrepreneur and media mogul Ted Turner has commanded global attention for his dramatic personality his founding of CNN his marriage to Jane Fonda and his company's merger with Time Warner But his green resume has gone largely ignored even while his role as a pioneering eco capitalist means more to Turner than any other aspect of his legacy He currently owns more than two million acres of private land more than any other individual in America and his bison herd

exceeds 50 000 head the largest in history He donated 1 billion to help save the UN and has recorded dozens of other firsts with regard to wildlife conservation fighting nukes and assisting the poor He calls global warming the most dire threat facing humanity and says that the tycoons of the future will be minted in the development of green alternative renewable energy Last Stand goes behind the scenes into Turner s private life exploring the man s accomplishments and his motivations showing the world a fascinating and flawed fully three dimensional character From barnstorming the country with T Boone Pickens on behalf of green energy to a pivotal night when he considered suicide Turner is not the man the public believes him to be Through Turner s eyes the reader is asked to consider another way of thinking about the environment our obligations to help others in need and the grave challenges threatening the survival of civilization **Inside Oscar** Mason Wiley,Damien Bona,1993 More than we ever wanted to know about the froth that rises every year to the top of the fermenting tank of American popular trash er culture And a nasty book Flimsy binding and acidic paper this is the best news the book will self destruct in a few years Indispensible for those who wallow in movie trivia Annotation copyright by Book News Inc Portland OR *Finding Honor* Steve Dix,2014-10-21 In the summer of 1968 a disillusioned young man fled the United States Aided by the antidraft underground and with the military in hot pursuit he his wife and their baby son charted a perilous path to a new life in the Canadian north and redemption at home Finding Honor is a memoir that chronicles a tumultuous ten year period of the authors life during the Vietnam War It is an important storya story not often toldof one soldier who chose not to go **Nadar--Warhol, Paris--New York** Gordon Baldwin,Judith Keller,1999 This engaging catalog features the photographic portraiture of the nineteenth century Parisian Nadar and the twentieth century New Yorker Andy Warhol The two photographers have more in common than one might suppose particularly as adroit manipulators who simultaneously promoted their own reputations and those of their subjects Both men emerged from the Bohemia of their day to become photographers after following earlier artistic pursuits Nadar as a writer and caricaturist Warhol as a commercial graphic artist then painter and filmmaker While celebrating their individual achievements Nadar Warhol Paris New York also illuminates the role of the visual artist in the conscious creation of celebrity and the changing nature of fame Among the many portraits in this exhibition catalog are Nadar s photographs of such luminaries as George Sand Alexandre Dumas Victor Hugo Jean Fran ois Millet and Sarah Bernhardt and Warhols images of celebrities including Mick Jagger Truman Capote Jane Fonda Robert Rauschenberg Debbie Harry Robert Mapplethorpe and Liza Minnelli
