Time Killers Comic Manga:

Fantasy Manga Heroes! M. Rezzi, 2017-02-06 Fantasy Manga Heroes collects fully original pin ups of fantasy characters Both an artwork collection and a coloring book for long time and new fans of fantasy anime and manga comics the book is a true time killer in which the readers can find drama irony and fun The book collects 60 illustrations with background of wizards clerics warriors thieves Elves and other fantastic creatures

Killer Bodies Joseph Crawford, 2025-12-09 Killer Bodies offers a history of the single most critically derided subgenre in American superhero comics the bad girl comics of the 1990s which chronicled the blood soaked adventures of barely dressed and improbably proportioned action heroines for an audience of adolescent boys While not in any way attempting to rehabilitate the genre which for the most part amply deserved its reputation as sexist and borderline pornographic this book situates it within its original cultural context as the result of a matrix of influences that included third wave feminism neopaganism girl power the rise of the internet the growing popularity of manga supermodel beauty ideals and the mainstreaming of pornography It explores why and how the figure of the antiheroic physically aggressive sexually objectified heroine arose within American comics culture and the commercial and ideological factors that led to the genre s rapid rise and equally rapid decline amidst the crisis racked comics industry of the mid 1990s

Killer Stuff and Tons of Money Maureen Stanton, 2011-06-09 One dealer s journey from the populist mayhem of flea markets to the rarefied realm of auctions reveals the rich often outrageous subculture of antiques and collectibles Millions of Americans are drawn to antiques and flea market culture whether as participants or as viewers of the perennially popular Antiques Roadshow or the recent hit American Pickers This world has the air of a lottery a 20 purchase might net you four five or six figures Master dealer Curt Avery the unlikely star of Killer Stuff and Tons of Money plays that lottery every day and he wins it more than most Occasionally he gets lucky but more often he draws on a deep knowledge of America s past and the odd fascinating and beautiful objects that have survived it Week in week out Avery trawls the flea and antiques circuit buying selling and advising other dealers in his many areas of expertise from furniture to glass to stoneware and more On the surface he s an improbable candidate for an antiques dealer He wrestled in high school and still retains the pugilistic build he is gruff funny and profane he favors shorts and sneakers even in November and he is remarkably generous toward both competitors and customers who want a break But as he struggles for a spot in a high end Boston show he must step up his game and perhaps more challenging fit in with a white shoe crowd Through his ascent we see the flea osphere for what it truly is less a lottery than a contact sport with few rules and many pitfalls This rich and sometimes hilarious subculture rewards peculiar interests and outright obsessions one dealer specializes in shrunken heads another wants all the postal memorabilia he can get So Avery must be a guerrilla historian and use his hard earned knowledge of America s past to live by and off his wits Only the smartest survive in one of America s most ruthless meritocracies Killer Stuff and Tons of Money is many things an insider s look at a subculture replete with arcane traditions
