Tina Modotti A Fragile Life:

Tina Modotti Mildred Constantine, Tina Modotti, 1983 A passionate nature a sensitive perception and a fiery commitment to social causes these are the elements of Tina Modotti's life and her photographs presented in this comprehensive illustrated biography Now widely recognised as one of the early 20th century's most extraordinary photographers Tina Modotti was remembered until recently more as the lover and muse of Edward Weston than for her own work **Tina Modotti** Mildred Constantine, 1993-08 A passionate nature a sensitive perception and a fiery commitment to social causes these are the elements of Tina Modotti's life and of her photographs vividly presented in this comprehensive illustrated biography **The Solid South Movement of 1855** Horace Montgomery, 1942 **Tina Modotti** Letizia Argenter, 2003-01-01 Biografie van de Italiaanse fotografe en communistische activiste 1896 1942 *Tina Modotti Photographs* Sarah Lowe, 1998-09-01 The powerful work and dramatic life of Italian born photographer and Marxist revolutionary Tina Modotti 1896 1942 These superb illustrations many rarely or never before published include *Roses* which in 1991 commanded the highest price ever paid to date for a photograph at auction 148 duotone photos *Memories of the Future* Margaret Gibson, 1986-04-01 Tina Modotti known to a few as the beautiful Italian actress in Erich von Stroheim's silent film *Greed* was also a dedicated political activist and photographer whose best work has a powerful dignity and integrity She lived with Edward Weston in post revolutionary Mexico in the 1920s During the Spanish Civil war in the 1930s she was a nurse in Madrid and on various fronts In Spain she knew Antonio Machado and Pablo Neruda who wrote a poem about her after her death in Mexico in 1942 Margaret Gibson's *Memories of the Future* is based on Modotti's vivid but enigmatic life Drawn from daybooks that Gibson imagines Modotti to have kept at the end of her life in Mexico City these poems give us the reflections of a woman whose intensity and vision evident in her own photographs are matched by the depth and breadth of her experience and personal transformation in times of deep social and political upheaval If we could look into the future would we go there In the spiral of hunger's discontent would we go Somehow we go New societies are born much wider than our minds And if for a moment we doubt our bodies remember They believe We make our bodies available to death and therefore live It is the hero's way every woman knows it In their attention to beauty and sensuality light and detail these poems capture the life of the photographer In their unhesitating confrontation with pain and loss they reveal the harsh realities of revolutionary life *Memories of the Future* skillfully unfolds the political and artistic consciousness of a woman of sensibility and strong beliefs It is a major new effort from one of America's best young poets **Looters, Photographers, and Thieves** Pasquale Verdicchio, 2011-04 What do we see when we think of Italy How is our sense of that country its people and culture formed what conditions it *Looters Photographers and Thieves* suggests that our visualization and relationship to a place like Italy is the result of a long and complex series of constructed images that have their origins in the ideology of nation building **The Other Mirror** Kristine Ibsen, 1997-02-25 During the last decade women's narrative

has become a recognized force in Mexican letters The essays in this collection explore the recent work of nine contemporary Mexican women writers Many of the works have been translated into English some like Laura Esquivel's *Like Water for Chocolate* have become international best sellers The unprecedented commercial success of these novels has generated mixed reactions at the same time that the secondary status afforded women's narrative has come to be questioned in many academic circles some authors are dissociating themselves from women's writing The essays in this volume address these issues providing a much needed contribution to the study of women's narrative

The Grove Encyclopedia of American Art Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

Katherine Anne Porter and Mexico Thomas F. Walsh, 2014-10-14 In 1920 an unknown journalist named Katherine Anne Porter first sojourned in Mexico When she left her familiar country for the last time in 1931 she was the celebrated author of *Flowering Judas* and *Other Stories* and had accumulated a wealth of experiences and impressions that would inspire numerous short stories essays and reviews as well as the opening section of her only novel *Ship of Fools* In this perceptive study of Porter's Mexican experiences Thomas Walsh traces the important connections between those events and her literary works Separating fact from the fictions that Porter constantly created about her life he follows the active role that she played in Mexican political and intellectual life even to the discovery of a plot to overthrow the Mexican government which eventually figured in *Flowering Judas* Most important Walsh discerns how the great swings between depression and elation that characterized Porter's emotional life influenced her alternating visions of Mexico In such works as *Xochimilco* Porter saw Mexico as an earthly Eden where hopes for a better society could be realized but in other stories including *The Fiesta of Guadalupe* she depicts Mexico as a place of hopeless oppression for the native peoples Mexico Porter once said gave her back her Texas past Given the unhappiness of that past her feelings toward Mexico would always be ambivalent but her Mexican experiences influenced all her subsequent works to some degree even those pieces not specifically Mexican in setting Walsh's study then is an essential key for anyone seeking greater understanding of the life or works of Katherine Anne Porter
