Play and Democracy Alice Koubová, Petr Urban, Wendy Russell, Malcolm MacLean, 2021-12-30 This book explores the complex and multi layered relationships between democracy and play presenting important new theoretical and empirical research It builds new paradigmatic bridges between philosophical enquiry and fields of application across the arts political activism children s play education and political science Play and Democracy addresses four principal themes Firstly it explores how the relationship between play and democracy can be conceptualized and how it is mirrored in questions of normativity ethics and political power Secondly it examines different aspects of play in urban spaces such as activism aesthetic experience happenings political carnivals and performances Thirdly it offers examples and analyses of how playful artistic performances can offer democratic resistance to dominant power And finally it considers the paradoxes of play in both developing democratic sensibilities and resisting power in education These themes are explored and interrogated in chapters covering topics such as aesthetic practice pedagogy diverse forms of activism and urban experience where play and playfulness become arenas in which to create the possibility of democratic practice and change Adding extra depth to our understanding of the significance of play as a political cultural and social power this book is fascinating reading for any serious student or researcher with an interest in play philosophy politics sociology arts sport or education

We Resist Cynthia Levine-Rasky, Lisa Kowalchuk, 2020-05-21 The 2016 US presidential election exposed rising xenophobic and nationalist sentiment within the United States and other democratic countries As populist movements grow democratic freedoms erode We Resist demonstrates that the things we often take for

granted safety family employment health a promising future are under attack and we must fight to preserve these resources before it's too late We are currently witnessing the dismantlement of social programs growing disinterest in international cooperation and the devaluation of evidence based knowledge This disturbing shift in politics is leading to increased national security measures violations to basic human rights and widening social and economic inequalities The rise of far right populism brings with it intolerance of ethnic sexual and all other minority groups and a rejection of democratic society We Resist gathers the compelling perspectives of scholars and activists who are deeply embedded within political and community struggles who participate in policy decisions and who are engaged in research that advances those struggles An essential and timely book We Resist confronts the problems we face as a human community and impels a cross sectoral movement to defend our rights and revitalize the common good

Time Out Film Guide, 2007 *Ring Around the Maple* Cynthia R. Comacchio, Neil Sutherland, 2024-10-29 *Ring Around the Maple* is about the condition of children in Canada from roughly 1850 to 2000 a time during which the modern increasingly disrupted traditional ways Authors Cynthia R Comacchio and Neil Sutherland trace the lives of children over this long century with a view to synthesizing the rich interdisciplinary often multi disciplinary literature that has emerged since the 1970s Integrated into this synthesis is the authors new research into many often seemingly disparate archival and published primary sources Emphasizing how the child and childhood are sociohistoric constructs and employing age analytically and relationally they discuss the constants and the variants in their historic dimensions While childhood tangibly modernized during these years it remained a far from universal experience due to identifiers of race gender culture region and intergenerational adaptations that characterize the process of growing up This work highlights children's perspectives through close critical readings of diaries correspondence memoirs interviews oral histories and autobiographies many buried in obscure archives It is the only extant historical discussion of Canadian children that interweaves the experiences of First Nations Métis and Inuit children with those of children from a number of settler groups *Ring Around the Maple* makes use of photographs catalogues advertisements government publications musical recordings radio shows television shows material goods documentary and feature films and other such visual and aural testimony Much of this evidence has not to date been used as historical testimony to uncover the lives of ordinary children This book is generously illustrated with photographs and ephemera carefully selected to reflect children's lives conditions interests and obligations It will be of special interest to historians and social scientists interested in children and the culture of childhood but will also appeal to readers who enjoy the little stories that together make up our collective history especially when those are told by the children who lived them
