

A vibrant, isometric illustration of a VMware lab setup. At the top, a network of dashed white lines connects various icons: two blue clouds, three orange circles, and two pink gears. Below this, the text "VMWARE LAB SETUP" is prominently displayed in a large, bold, multi-colored font with a black outline. The bottom section features a light blue desk with two computer monitors and a keyboard. The left monitor shows a line graph, and the right monitor displays the word "GIBB". To the right of the desk are three server racks of increasing size, each with a glowing yellow light bar on its side. These components are interconnected by a network of orange and yellow lines on a dark blue background with a subtle grid pattern.
