devotion will be our experience Direct experience is not measurable and remains inexplicable Even at a sacred place all will not experience the same energy It is directly connected to the individual s vibrations and his bhav For one without purity of purpose it can at best be a pleasurable experience a change from his usual state of mind nothing more The mind that moves will continue to move It may be stilled momentarily but the effects will not be lasting the memory will be merely of the pleasant it will not have a transformational impact Babaji's Man, Life, Death, and After Babaji (Spirit), S.
