Private Lessons Whitney Bartiuk,2020-08-16 Have you ever heard yourself saying something like Olivia is such a natural athlete If she just worked on her timing a little more she d be a beast at the net If so you should probably be teaching private lessons If you ve coached for a couple of seasons you ve got the experience to help What holds coaches back though isn t a lack of interest It s not knowing where to begin Why coaches don t offer private lessons They don t know Where to hold private lessons Who would take lessons from them How much to charge If they should even charge at all What drills they would use And the list goes on and on Don t worry I get it These are the same reasons I put off lessons for a long time too But once I got started man did I love running private lessons Not only do lessons help athletes grow tremendously in a short amount of time they re pretty fun for you too And if you bring value to your
