Hybridity on the Ground in Peacebuilding and Development Joanne Wallis, Lia Kent, Miranda Forsyth, Sinclair Dinnen, Srinjoy Bose, 2018-03-01 Hybridity on the Ground in Peacebuilding and Development engages with the possibilities and pitfalls of the increasingly popular notion of hybridity The hybridity concept has been embraced by scholars and practitioners in response to the social and institutional complexities of peacebuilding and development practice In particular the concept appears well suited to making sense of the mutually constitutive outcomes of processes of interaction between diverse norms institutions actors and discourses in the context of contemporary peacebuilding and development engagements At the same time it has been criticised from a variety of perspectives for overlooking critical questions of history power and scale The authors in this interdisciplinary collection draw on their in depth knowledge of peacebuilding and development contexts in different parts of Asia the Pacific and Africa to examine the messy and dynamic realities of hybridity on the ground By critically exploring the power dynamics and the diverse actors ideas practices and sites that shape hybrid peacebuilding and development across time and space this book offers fresh insights to hybridity debates that will be of interest to both scholars and practitioners Hybridity has become an influential idea in peacebuilding and this volume will undoubtedly become the most influential collection on the idea Nuance and sophistication characterises this engagement with hybridity Professor John Braithwaite

Understanding Oceania Stewart Firth, Vijay Naidu, 2019-05-23 This book is inspired by the University of the South Pacific the leading institution of higher education in the Pacific Islands region Founded in 1968 USP has expanded the intellectual horizons of generations of students from its 12 member countries

Cook Islands Fiji Kiribati Marshall Islands Nauru Niue Samoa Solomon Islands Tokelau Tonga Tuvalu and Vanuatu and been responsible for the formation of a regional elite of educated Pacific Islanders who can be found in key positions in government and commerce across the region At the same time this book celebrates the collaboration of USP with The Australian National University in research doctoral training teaching and joint activities Twelve of our 19 contributors gained their doctorates at ANU most of them before or after being students and or teaching staff at USP and the remaining five embody the cross fertilisation in teaching research and consultancy of the two institutions The contributions to this collection with a few exceptions are republications of key articles on the Pacific Islands by scholars with extensive experience and knowledge of the region **The Routledge Companion to Cultural Property** Jane Anderson,Haidy Geismar,2017-07-31

The Routledge Companion to Cultural Property contains new contributions from scholars working at the cutting edge of cultural property studies bringing together diverse academic and professional perspectives to develop a coherent overview of this field of enquiry The global range of authors use international case studies to encourage a comparative understanding of how cultural property has emerged in different parts of the world and continues to frame vital issues of national sovereignty the free market international law and cultural heritage Sections explore how cultural property is scaled to the state and the market cultural property as law cultural property and cultural rights and emerging forms of cultural property from yoga to the national archive By bringing together disciplinary perspectives from anthropology archaeology law Indigenous studies history folklore studies and policy this volume facilitates fresh debate and broadens our understanding of this issue of growing importance This comprehensive and coherent statement of cultural property issues will be of great interest to cultural sector professionals and policy makers as well as students and academic researchers engaged with cultural property in a variety of disciplines *Hybridity in Peacebuilding and Development* Lia Kent,Miranda Forsyth,Sinclair Dinnen,Joanne Wallis,Srinjoy Bose,2020-06-29

The concept of hybridity highlights complex processes of interaction and transformation between different institutional and social forms and normative systems It has been used in numerous ways to generate important analytical and methodological insights into peacebuilding and development Its most recent application in the social sciences has also attracted powerful critiques that have highlighted its limitations and challenged its continuing usage This book examines whether the value of hybridity as a concept can continue to be harnessed and how its shortcomings might be mitigated or overcome It does so in an interdisciplinary way as hybridity has been used as a benchmark across multiple disciplines and areas of practical engagement over the past decade including peacebuilding state building justice reform security development studies anthropology and economics This book encourages a dialogue about the uses and critiques of hybridity from a variety of perspectives and vantage points including deeply ethnographic works high level theory and applied policy work The authors conclude that there is continued value in the concept of hybridity but argue that this value can only be realised if the concept is engaged with in a reflexive and critical way This book was originally published as a

special issue of the online journal Third World Thematics

Tides of Innovation in Oceania Elisabetta

Gnecchi-Ruscione,Anna Paini,2017-04-07 Tides of Innovation in Oceania is directly inspired by Epeli Hau ofa s vision of the Pacific as a Sea of Islands the image of tides recalls the cyclical movement of waves with its unpredictable consequences The authors propose tides of innovation as a fluid concept unbound and open to many directions This perspective is explored through ethnographic case studies centred on deeply elaborated analyses of locally inflected agencies involved in different transforming contexts Three interwoven themes value materiality and place provide a common thread *Routledge*

Handbook of Public Criminologies Kathryn Henne,Rita Shah,2020-01-16 Featuring contributions from scholars from across the globe Routledge Handbook of Public Criminologies is a comprehensive resource that addresses the challenges related to public conversations around crime and policy In an era of fake news misguided rhetoric about immigrants and refugees and efforts to toughen criminal laws criminologists seeking to engage publicly around crime and policy arguably face an uphill battle This handbook outlines the foundations of and developments in public criminology underscoring the need to not only understand earlier ideas and debates but also how scholars pursue public facing work through various approaches The first of its kind this collection captures diverse and critical perspectives on the practices and challenges of actually doing public criminology The book presents real world examples that help readers better understand the nature of public criminological work as well as the structural and institutional barriers and enablers of engaging wider audiences Contributors address policies around crime and crime control media landscapes and changing political dynamics In examining attempts to bridge the gaps between scholarship activism and outreach the essays featured here capture important tensions related to inequality and social difference including the ways in which criminology can be complicit in perpetuating inequitable practices and structures and how public criminology aims but sometimes fails to address them The depth and breadth of material in the book will appeal to a wide range of academics students and practitioners It is an important resource for early career researchers more established scholars and professionals with accessible content that can also be used in upper level undergraduate classes Chapter 5 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Lui, Rick Sarre, 2019-04-01

Edited by two leading restorative justice scholars from the West and East this unique e book bridges a gap in the literature by bringing together new evidence on the application of restorative practices in educational settings The book has two aims First it builds a bridge between the restorative justice world in the East with that of the West The volume demonstrates how similar the theoretical and practical experiences are in the two sides of the world It presents us with evidence of what works in policy research and practice and allows us to make comparisons for the future Secondly

the book challenges restorative justice which is often seen through the narrow lenses of the criminal justice system

BOOK REVIEW It is arrogant indeed to think that schools in the west have all the answers and we are somehow more advanced in our thinking and practice The scope of the chapters in this book travails many of the issues that face schools and systems everywhere This book is highly recommended for anyone practicing studying or legislating restorative justice in educational settings Restorative practice is who we are not what we do Margaret Thorsborne Restorative practitioner trainer facilitator and author Table of Contents Foreword Margaret Thorsborne Note on Contributors Restorative Justice Series by RJ4All Publications Introduction Acknowledgements Restorative Justice in Educational Settings and Policies Bridging the East and West Dennis Wong and Theo Gavrielides
