Weimar Thought A Contested Legacy:

Weimar Thought Peter E. Gordon, John P. McCormick, 2013-06-30 A comprehensive look at the intellectual and cultural innovations of the Weimar period During its short lifespan the Weimar Republic 1918-33 witnessed an unprecedented flowering of achievements in many areas including psychology political theory physics philosophy literary and cultural criticism and the arts Leading intellectuals scholars and critics such as Hannah Arendt Walter Benjamin Ernst Bloch Bertolt Brecht and Martin Heidegger emerged during this time to become the foremost thinkers of the twentieth century Even today the Weimar era remains a vital resource for new intellectual movements In this incomparable collection *Weimar Thought* presents both the specialist and the general reader a comprehensive guide and unified portrait of the most important innovators themes and trends of this fascinating period The book is divided into four thematic sections law politics and society philosophy theology and science aesthetics literature and film and general cultural and social themes of the Weimar period The volume brings together established and emerging scholars from a remarkable array of fields and each individual essay serves as an overview for a particular discipline while offering distinctive critical engagement with relevant problems and debates Whether used as an introductory companion or advanced scholarly resource *Weimar Thought* provides insight into the rich developments behind the intellectual foundations of modernity

Weimar Thought, In her article *Method Moment and Crisis in Weimar Science* she voices theoretical and philosophical debates on the implications of science in the Weimar Republic The last part *Themes of Epoch* tries to fill in the Weimar intelligentsia topics remaining to be discussed the perception of the East women and leftist movements Finally the last article of both chapter and book named *The Aftermath* presents an interesting analysis of the relationship between National Socialism and the Weimar intelligentsia The beginning of Carson's *Method Moment and Crisis in Weimar Science* explains the state of Weimar intellectuals and the main theme of the book perfectly Weimar intellectuals were notoriously riven divided along every possible line I intend to touch upon three points on *Weimar Thought A Contested Legacy* Most of the articles in the book retell the development of a discipline works and or the life of an important artist or intellectual or explain a popular movement

The Colonial Origins of Modern Social Thought

George Steinmetz, 2025-02-25 A new history of French social thought that connects postwar sociology to colonialism and empire In this provocative and original retelling of the history of French social thought George Steinmetz places the history and development of modern French sociology in the context of the French empire after World War II Connecting the rise of all the social sciences with efforts by France and other imperial powers to consolidate control over their crisis-ridden colonies Steinmetz argues that colonial research represented a crucial core of the nascent academic discipline of sociology especially between the late 1930s and the 1960s Sociologists who became favored partners of colonial governments were asked to apply their expertise to such social problems as detribalization urbanization poverty and labor migration This colonial orientation permeated all the major subfields of sociological research Steinmetz contends and is at

the center of the work of four influential scholars Raymond Aron Jacques Berque Georges Balandier and Pierre Bourdieu In retelling this history Steinmetz develops and deploys a new methodological approach that combines attention to broadly contextual factors dynamics within the intellectual development of the social sciences and sociology in particular and close readings of sociological texts He moves gradually toward the postwar sociologists of colonialism and their writings beginning with the most macroscopic contexts which included the postwar reoccupation of the French empire and the turn to developmentalist policies and the resulting demand for new forms of social scientific expertise After exploring the colonial engagement of researchers in sociology and neighboring fields before and after 1945 he turns to detailed examinations of the work of Aron who created a sociology of empires Berque the leading historical sociologist of North Africa Balandier the founder of French Africanist sociology and Bourdieu whose renowned theoretical concepts were forged in war torn late colonial Algeria

The Cambridge History of Modern European Thought: Volume 2, The Twentieth Century Peter E. Gordon, Warren Breckman, 2019-08-29 The Cambridge History of Modern European Thought is an authoritative and comprehensive exploration of the themes thinkers and movements that shaped our intellectual world in the late eighteenth and nineteenth century Representing both individual figures and the contexts within which they developed their ideas each essay is written in a clear accessible style by leading scholars in the field and offers both originality and interpretive insight This second volume surveys twentieth century European intellectual history conceived as a crisis in modernity Comprised of twenty one chapters it focuses on figures such as Freud Heidegger Adorno and Arendt surveys major schools of thought including Phenomenology Existentialism and Conservatism and discusses critical movements such as Postcolonialism Structuralism and Post structuralism Renouncing a single master narrative of European thought across the period Peter E Gordon and Warren Breckman establish a formidable new multi faceted vision of European intellectual history for the global modern age

Popular Sovereignty in Historical Perspective Richard Bourke, Quentin Skinner, 2016-03-24 The first collaborative volume to explore popular sovereignty a pivotal concept in the history of political thought

Homo Temporalis Nitzan Itzhak Lebovic, 2025-01-15 Homo Temporalis focuses on the importance of temporal concepts for four German Jewish thinkers who profoundly shaped twentieth century intellectual history Martin Buber Walter Benjamin Hannah Arendt and Paul Celan By analyzing the concept of time Nitzan Lebovic explores Buber s stress on the temporality of the dialogue between I and Thou Benjamin s now time and dialectics in standstill Arendt s understanding of democracy as natality or a permanent revolution and the breathturn that informs Celan s poetry Framing the reception of German Jewish thinking in the second half of the twentieth century as a parallel story to the rise of the modern humanities Homo Temporalis also highlights how these foundational temporal concepts illuminate the causes of the present crisis in the humanities and its disciplinary limitations in the age of biopolitics and the Anthropocene

Moments of Decision Stephen Eric Bronner, 2014-07-31 In this updated and expanded second edition the radical classic Moments of Decision has been updated

in the 20 years since it was first published Reexamining observations made in the immediate rubble left after the fall of communism Bronner blends political meditation philosophical critique and history lesson to illuminate the crises of radicalism that have defined the 20th and 21st century socio political landscape It is a critical part of the conversation surrounding socialist historiography and the development of the West as we now conceive of it With clear accessible prose Bronner s classic text is revived and revised in this volume ideal for students scholars and any interested in political history theory and international relations *Street Life and Morals* Lesley Chamberlain,2021-12-15 With resonance for today this book explores a significant crisis of German philosophy and national identity in the decades around World War II German philosophy famed for its high minded Idealism was plunged into crisis when Germany became an urban and industrial society in the late nineteenth century The key figure of this shift was Immanuel Kant seen for a century as the philosophical father of the nation Kant seemed to lack crucial answers for violent and impersonal modern times This book shows that the social and intellectual crisis that overturned Germany s traditions a sense of profound spiritual confusion over where modern society was headed was the same crisis that allowed Hitler to come to power It also describes how German philosophers actively struggled to create a new kind of philosophy in an effort to understand social incoherence and technology s diminishing of the individual *Reconsidering Europeanization* Florian Greiner,Peter Pichler,Jan Vermeiren,2022-08-01 This pertinent and highly original volume explores how ideas of Europe and processes of continental political socio economic and cultural integration have been intertwined since the nineteenth century Applying a wider definition of Europeanization in the sense of becoming European it will pay equal attention to counter processes of disentanglement and disintegration that have accompanied slowed down or displaced such trends and developments By focusing on the practices agents and experience of Europeanization the volume strives to bring together the history of ideas and the history of human actions and conduct two approaches that are usually treated separately in the field of European studies **The Legitimacy of Modern Democracy** Pedro T. Magalhães,2020-12-30 By re examining the political thought of Max Weber Carl Schmitt and Hans Kelsen this book offers a reflection on the nature of modern democracy and the question of its legitimacy Pedro T Magalhães shows that present day elitist populist and pluralist accounts of democracy owe in diverse and often complicated ways an intellectual debt to the interwar era German speaking scholarly and political controversies on the problem s of modern democracy A discussion of Weber s ambivalent diagnosis of modernity and his elitist views on democracy as they were elaborated especially in the 1910s sets the groundwork for the study Against that backdrop Schmitt s interwar political thought is interpreted as a form of neo authoritarian populism whereas Kelsen evinces robust though not entirely unproblematic pluralist consequences In the conclusion the author draws on Claude Lefort s concept of indeterminacy to sketch a potentially more fruitful way than can be gleaned from the interwar German discussions of conceiving the nexus between the elitist populist and pluralist faces of modern democracy *The Legitimacy of Modern Democracy* will be of interest to political

theorists political philosophers intellectual historians theoretically oriented political scientists and legal scholars working in the subfields of constitutional law and legal theory The Open Access version of this book available at <https://doi.org/10.4324/9781315157566> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Oxford Handbook of Calvin and Calvinism Bruce Gordon, Carl R. Trueman, 2021 John Calvin was a leader of the European Reformation of the sixteenth century and the influence of his thought remains crucial in our world This collection explores the origins of Calvin's thought and the theological historical and cultural circumstances in which they have evolved from Geneva to our times

Heidegger and His Jewish Reception Daniel M. Herskowitz, 2020-10-08 In this book Daniel Herskowitz examines the rich intense and persistent Jewish engagement with one of the most important and controversial modern philosophers Martin Heidegger Contextualizing this encounter within wider intellectual cultural and political contexts he outlines the main patterns and the diverse Jewish responses to Heidegger Herskowitz shows that through a dialectic of attraction and repulsion Jewish thinkers developed a version of Jewishness that sought to offer the way out of the overall crisis plaguing their world which was embodied as they saw it in Heidegger's life and thought Neither turning a blind eye to Heidegger's anti-Semitism nor using it as an excuse for ignoring his philosophy they wrestled with his existential analytic and what they took to be its religious ethical and political failings Ironically Heidegger's thought proved itself to be fertile ground for re-conceptualizing what it means to be Jewish in the modern world

The Oxford Handbook of Carl Schmitt Jens Meierhenrich, Oliver Simons, 2016-12-13 The Oxford Handbook of Carl Schmitt collects thirty original chapters on the diverse oeuvre of one of the most controversial thinkers of the twentieth century Carl Schmitt 1888-1985 was a German theorist whose anti-liberalism continues to inspire scholars and practitioners on both the Left and the Right Despite Schmitt's rabid anti-Semitism and partisan legal practice in Nazi Germany the appeal of his trenchant critiques of among other things aestheticism representative democracy and international law as well as of his theoretical justifications of dictatorship and rule by exception is undiminished Uniquely located at the intersection of law the social sciences and the humanities this volume brings together sophisticated yet accessible interpretations of Schmitt's sprawling thought and complicated biography The contributors hail from diverse disciplines including art law literature philosophy political science and history In addition to opening up exciting new avenues of research The Oxford Handbook of Carl Schmitt provides the intellectual foundations for an improved understanding of the political legal and cultural thought of this most infamous of German theorists A substantial introduction places the trinity of Schmitt's thought in a broad context

Ethics Out of Law Dana Hollander, 2021-06-17 This is the first book in English to lay out the philosophical ethics and philosophy of law of Hermann Cohen one of the leading figures in both Neo-Kantian and Jewish philosophy

Jewish Encounters with Buddhism in German Culture Sebastian Musch, 2019-10-10 In Germany at the turn of the century Buddhism transformed from an obscure topic of interest to only a few misfit scholars into a cultural phenomenon Many of the foremost authors of the period

were profoundly influenced by this rapid rise of Buddhism among them some of the best known names in the German Jewish canon Sebastian Musch excavates this neglected dimension of German Jewish identity drawing on philosophical treatises novels essays diaries and letters to trace the history of Jewish Buddhist encounters up to the start of the Second World War Franz Rosenzweig Martin Buber Leo Baeck Theodor Lessing Jakob Wassermann Walter Hasenclever and Lion Feuchtwanger are featured alongside other lesser known figures like Paul Cohen Portheim and Walter Tausk As Musch shows when these thinkers wrote about Buddhism they were also negotiating their own Jewishness *Toward a Concrete Philosophy* Mikko Immanen,2020-11-15 *Toward a Concrete Philosophy* explores the reactions of Theodor Adorno Max Horkheimer and Herbert Marcuse to Martin Heidegger prior to their dismissal of him once he turned to the Nazi party in 1933 Mikko Immanen provides a fascinating glimpse of the three future giants of twentieth century social criticism when they were still looking for their philosophical voices By reconstructing their overlooked debates with Heidegger and Heideggerians Immanen argues that Adorno Horkheimer and Marcuse saw Heidegger's 1927 magnum opus *Being and Time* as a serious effort to make philosophy relevant for life again and as the most provocative challenge to their nascent materialist diagnoses of the discontents of European modernity Our knowledge of Adorno's Frankfurt discussion with Frankfurt Heideggerians remains anecdotal even though it led to a proto version of Dialectic of Enlightenment's idea of the entwinement of myth and reason Similarly Horkheimer's enthusiasm over Heidegger's legendary post World War I lectures and criticism of *Being and Time* have escaped attention almost entirely And Marcuse's intriguing debate with Heidegger over Hegel and the origin of the problematic of being and time has remained uncharted until now Reading these debates as fruitful intellectual encounters rather than hostile confrontations *Toward a Concrete Philosophy* offers scholars of critical theory a new thought provoking perspective on the emergence of the Frankfurt School as a rejoinder to Heidegger's philosophical revolution *Dietrich Bonhoeffer Refuting Carl Schmitt's Decision* Karola Radler,2025-06-26 Radler examines Bonhoeffer's and Schmitt's intellectual paradigms of thought of theology and jurisprudence Whilst both thinkers encounter constitutional institutional models they arrive at opposing conclusions and actions This book tackles how they approach the indicators for a decision of choices between alternatives the urgency of resolving the problems at hand the intended goal and the following active manifestation in Christ Radler reveals how Schmitt's form of *Decision* resting on a linear model of history abstracts metaphysical content from objective normative evaluation and in support of a human personality representing the idea of Christ elevates the significance of the self over content and subject in structural analogy to theological dogma On the other hand Bonhoeffer's theology repudiates Schmitt's political jurisprudential position contesting that history ultimately focuses on leading to human wholeness through reconciliation **Subversion and Conformity of Literary Collage** Magda Dragu,2024-04-30 *Subversion and Conformity of Literary Collage* Between Cut and Glue fills a gap in the current scholarship on literary collage by addressing how different the interpretations of the concept are depending on the author who uses the

concept and the material and writers surveyed The book studies writers who employed literary collage during the twentieth and twenty first centuries some whose works have been intensely analyzed from this perspective William S Burroughs and Walter Benjamin but also some whose collage writing style has recently been investigated by writers being usually placed under the umbrella term of artist books Stelio Maria Martini **Off-Modern Catholic Aesthetics** Samuel O'Connor

Wilkinson,2021-06-10 This title recounts the transformation of Europe from the post war era until the Euro crisis using the tools of constitutional analysis and critical theory The central claim is twofold Europe has been gradually reconstituted in a manner that combines political authoritarianism with economic liberalism and

that this order is now in a critical condition Authoritarian liberalism is constructed supranationally through a taming of inter state relations in the project of European integration at the domestic level through the depoliticization of state society relations and socially through the emergence of a new constitutional imaginary based on liberal individualism In the language of constitutional theory this transformation can be captured by the substitution of supranationalism for internationalism technocracy for democracy and economic for political freedom Sovereignty is restrained democracy curtailed and class struggle repressed This constitutional trajectory takes time to unfold and develop and it presents continuities and discontinuities On the one hand authoritarian liberalism is deepened by the neoliberalism of the Maastricht era and the creation of Economic and Monetary Union On the other hand counter movements then also begin to emerge geopolitically in the return of the German question domestically in the challenges to the EU presented by constitutional courts and informally in the rise of anti systemic political parties and movements Sovereignty democracy and political freedom resurface but are then more actively suppressed through the harsher authoritarian liberalism of the Euro crisis phase This leads now to an impasse Anti systemic politics return but remain uneasily within the EU suggesting authoritarian liberalism has reached its limits if just about managing to maintain constitutional order As yet there has been no definitive rupture with the possible exception of Brexit

Weimar Thought A Contested Legacy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Weimar Thought A Contested Legacy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Weimar Thought A Contested Legacy PDF books and manuals is convenient and cost-effective, it is vital

to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Weimar Thought A Contested Legacy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Weimar Thought A Contested Legacy Books

What is a Weimar Thought A Contested Legacy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Weimar Thought A Contested Legacy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Weimar Thought A Contested Legacy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Weimar Thought A Contested Legacy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Weimar Thought A Contested Legacy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant

quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
