**PopMatters** [Women in Magazines](#) Rachel Ritchie, Sue Hawkins, Nicola Phillips, S. Jay Kleinberg, 2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women's experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women's contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia

[The Preacher's Wife](#) Kate Bowler, 2019-10-01 From the New York Times bestselling author of *Everything Happens for a Reason* And Other Lies I've Loved a fascinating look at the world of Christian women celebrities

Since the 1970s an important new figure has appeared on the center stage of American evangelicalism the celebrity preacher's wife. Although most evangelical traditions bar women from ordained ministry many women have carved out unofficial positions of power in their husbands' spiritual empires or their own ministries. The biggest stars such as Beth Moore, Joyce Meyer, and Victoria Osteen write bestselling books, grab high ratings on Christian television, and even preach. In this engaging book, Kate Bowler, an acclaimed historian of religion and the author of the bestselling memoir *Everything Happens for a Reason*, and *Other Lies I've Loved*, offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male-dominated faiths. Whether standing alone or next to their husbands, the leading women of megaministry play many parts: the preacher, the homemaker, the talent, the counselor, and the beauty. Boxed in by the high expectations of modern Christian womanhood, they follow and occasionally subvert the visible and invisible rules that govern the lives of evangelical women, earning handsome rewards or incurring harsh penalties. They must be pretty but not immodest, exemplary but not fake, vulnerable to sin but not deviant. And black celebrity preachers' wives carry a special burden of respectability. But despite their influence and wealth, these women are denied the most important symbol of spiritual power: the pulpit. The story of women who most often started off as somebody's wife and ended up as everyone's almost pastor. *The Preacher's Wife* is a compelling account of women's search for spiritual authority in the age of celebrity.

**Girl Talk** Dawn Currie, 1999-01-01. Challenging assumptions about women's magazines, Currie looks at young readers and how they interpret the message of magazines in their everyday lives. A fascinating, sometimes surprising study of young women and their relationship with print media.

**The Girl God Wants** Daniella Whyte, 2008-02-25. With appealing chapters and her sister-to-sister style, Whyte shows young ladies how much God loves them and how to discover their gifts and purpose in life. Christian.

*It's a Woman's World, a Memoir* Marie Fenton Griffing, 2013-04-10. *It's a Woman's World* describes Marie's intriguing experiences as a professional woman in a man's world while a working woman and a widow. As described in the book, there are many successes and tragedies in her long life. Those who never met Marie will learn how this woman not only endured but triumphed throughout her 87 years. Marie felt a sisterhood with other women from the time she was a child. She organized each chapter of her book with the name of an important woman in her life. She requested that her memoir be published posthumously by Lila Elizabeth Weisberger, the woman friend she had planned to write about in her final chapter. Sadly, Marie never saw her memoir in print, but Lila Weisberger is fulfilling her wish with this publication. Although Marie's life ended before she wrote the last chapters, one unexpected writing is added to this book. When she and her husband Bill were driving home from what turned out to be her last appointment with her oncologist, Marie wrote on a yellow pad which Bill later found on the floor of the car. This writing is
