Women And Popular Music Sexuality Identity And Subjectivity

Avital Bloch, Lauri Umansky

Women And Popular Music Sexuality Identity And Subjectivity:

Women and Popular Music Sheila Whiteley, 2000 From Janis Joplin to P J Harvey *Women and Popular Music* Sheila Whiteley, 2000 *Women and Popular Music* Sheila Whiteley, 2013-05-13 *Women and Popular Music* explores the changing role of women musicians and the ways in which their songs resonate in popular culture Sheila Whiteley begins by examining the counter culture s reactionary attitudes to women through the lyrics of The Beatles and The Rolling Stones She explores the ways in which artists like Joplin and Joni Mitchell confronted issues of sexuality and freedom redefining women s participation in the industry and assesses the personal cost of their achievements She considers how stars such as Annie Lennox Madonna and k d lang have confronted issues of gender stereotyping and sexuality through pop videos for Justify My Love and Sweet Dreams Are Made of This and looks at the enduring importance of the singer songwriter through artists such as Tracey Chapman Lastly she assesses the contribution of contemporary artists including Tori Amos P J Harvey and Courtney Love and asks whether the Spice Girls are just a cartoon feminist pop group or if they provide positive role models for teenage girls *Kate Bush and Hounds of Love* Dr Ron Moy, 2013-01-28 Kate Bush is widely respected as one of the most unique solo female performers to have ever emerged in the field of popular music She has achieved that rare combination of great commercial success and critical acclaim with *Hounds of Love* considered widely to be her masterpiece The album regularly features in best album lists and in the 2004 Observer poll was the highest placed work by a solo female artist The album allows the author Ron Moy the critical opportunity to explore a wide range of issues relating to technology production authorship grain of the voice iconography critical and commercial impact collaboration gender sexuality narrative and social and cultural context *Impossible to Hold* Avital Bloch, Lauri Umansky, 2005-02 Revels in the complexities of female identity and American culture The collection s sixteen original essays move beyond conventional discussions of hippie chicks and Weatherwomen to examine the diverse lives of women who helped to shape religion sports literature and music among other aspects of the cultural hodgepodge known as the sixties From familiar names like Yoko Ono Carole King and Joan Baez to lesser known figures like Anita Caspary and Barbara Deming the women represent a variety of points on the celebrity and feminist spectrums The book traces women who sought to break into male fields women whose personae and work link the radical sixties to earlier cultural traditions and those who consciously confronted power structures and demanded change from publisher information *Too Much Too Young* Sheila Whiteley, 2013-10-18 *Too Much Too Young* investigates how age and gender have shaped the careers and images of pop music stars examining the role of youth and youthfulness in pop music through a series of themed case studies Whiteley begins by investigating the exploitation of child stars such as Brenda Lee and Michael Jackson offering a psychoanalytic reading of the relationship between child star and oppressive manager and looks at the current glut of boy and girl bands and stars in the mold of Britney Spears to examine

the continuing fatal attraction of stardom for adolescents Whiteley then considers the star images of female singer songwriters Kate Bush Tori Amos and Bjork whose little girl voices and characterization by the media suggests a girlish femininity which is often at odds with the intentions of their musical output She then moves on to explore the rock pop divide as it affects the image of male performers considering why male stars usually fall into the category of wild boys such as Kurt Cobain or Jim Morrison or nice boys like Cliff Richard The Monkees and Wham Whiteley ends by asking what happens to stars who set so much store by manipulations of youthfulness when they begin to age and points to stars like Robbie Williams Kylie Minogue and Cher to demonstrate that it is possible to achieve iconic pop status even without dying young **PJ**

Harvey and Music Video Performance Abigail Gardner, 2016-03-09 PJ Harvey's performances are premised on the core contention that she is somehow causing trouble Just how this trouble can be theorised within the context of the music video and what it means for a development of the ways we might conceptualise disruption and think about music video lies at the heart of this book Abigail Gardner mixes feminist theory and critical models from film and video scholarship as a rich means of interrogating Harvey's work and redefining her disruptive strategies The book presents a rethinking of the masquerade that allies it to cultural memory precipitated by Gardner's claim that Harvey's performances are conversations with the past specifically with visualised memories of archetypes of femininity Harvey's masquerades emerge from her conversations and renegotiations with both national and transatlantic musical visual and lyrical heritages It is the first academic book to present analysis of Harvey's music videos and opens up fresh avenues into exploring what is at stake in the video work of one of Britain's premier singer songwriters It extends the discussion on music video to consider how to make sense of the rapidly developing digital environment in which it now sits The interdisciplinary nature of the book should attract readers from a range of subject areas including popular music studies cultural studies media and communication studies and gender studies

Ageing and Contemporary Female Musicians Abigail Gardner, 2019-07-11 Ageing and Contemporary Female Musicians focuses on ageing within contemporary popular music It argues that context genres memoirs racial politics and place all contribute to how women are aged in popular music Framing contemporary female musicians as canonical grandmothers Rude Girls neo Afrofuturist and memoirists settling accounts the book gives us some respite from a decline or denial narrative and introduces a dynamism into ageing Female rock memoirs are age appropriate survival stories that reframe the histories of punk and independent rock music Old age has a functional and canonical place in the work of Shirley Collins and Calypso Rose Janelle Mon e Christine and the Queens and Anohni perform queer age specifically a kind of going beyond both corporeal and temporal borders Genres age and the book introduces the idea of the time crunch an encounter between an embodied represented age and a genre age which is itself produced through historicity and aesthetics Lastly the book goes behind the scenes to draw on interviews and questionnaires with 19 women involved in the contemporary British and American popular music industry DIY and ex musicians producers music publishers music journalists and audio

engineers Ageing and Contemporary Female Musicians is a vital intergenerational feminist viewpoint for researchers and students in gender studies popular music popular culture media studies cultural studies and ageing studies **US Youth Films and Popular Music** Tim McNelis, 2017-04-21 This book brings theory from popular music studies to an examination of identity and agency in youth films while building on and complementing film studies literature concerned with genre identity and representation McNelis includes case studies of Hollywood and independent US youth films that have had commercial and or critical success to illustrate how films draw on specific discourses surrounding popular music genres to convey ideas about gender race ethnicity sexuality and other aspects of identity He develops the concept of musical agency a term he uses to discuss the relationship between film music and character agency also examining the music characters listen to and discuss as well as musical performances by the characters themselves **The Beatles and Sixties Britain** Marcus Collins, 2020-03-05 In this rigorous study Marcus Collins reconceives the Beatles social cultural and political impact on sixties Britain
