War And Peace In The Caucasus Russias Troubled Frontier:

War and Peace in the Caucasus Vicken Cheterian, 2011-03-12 After the collapse of the Soviet Union the Caucasus was wracked by ethnic and separatist violence as the peoples of the region struggled for self determination Vicken Cheterian who spent many years as a reporter and analyst covering the region s conflicts asks why nationalism emerged as a dominant political current and why of the many nationalist movements that emerged some led to violence while others did not He explains also why minority rebellions were victorious against larger armies in mountainous Karabakh Abkhazia and in the first war of Chechnya and discusses the ongoing instability and armed resistance in the North Caucasus He concludes his book by examining chapters the great power competition between Russia the US and the EU over the oil and gas resources of the Caspian region

War and Peace in the Caucasus Vicken Cheterian, 2011-03-12 After the collapse of the Soviet Union the Caucasus was wracked by ethnic and separatist violence as the peoples of the region struggled for self determination Vicken Cheterian who spent many years as a reporter and analyst covering the region s conflicts asks why nationalism emerged as a dominant political current and why of the many nationalist movements that emerged some led to violence while others did not He explains also why minority rebellions were victorious against larger armies in mountainous Karabakh Abkhazia and in the first war of Chechnya and discusses the ongoing instability and armed resistance in the North Caucasus He concludes his book by examining chapters the great power competition between Russia the US and the EU over the oil and gas resources of the Caspian region

Conflict Areas in the Caucasus and Central Asia Arda Özkan, Göktürk Tüysüzoglu, 2022-01-25 The Caucasus region and Central Asia covers a large part of the Eurasian Both regions where Russia and China have a serious influence and visibility also have a location that reflects the hegemonic expectations of both these actors In this context domestic political developments and even internal conflicts in the region can be linked to the policies of Russia and China to a certain extent and have the potential to affect the motives of these two powers Although Central Asia is rich in natural resources it is landlocked and has lagged other nations in terms of agricultural production and industrial development Although the Caucasus is divided into the North the territory of Russia and the South where three independent states are located it is insufficient in terms of production and development The Caucasus stands out especially with energy projects and its feature of being a commercial corridor

The Caucasus Under Soviet Rule Alex Marshall, 2010-09-13 The Caucasus is a strategically and economically important region in contemporary global affairs This book provides the first comprehensive study of the impact of Soviet policy on the Caucasus focusing in particular on the period from 1917 to 1955 It argues that understanding the Soviet legacy in the region remains critical to analysing both the new states of the

Transcaucasus and the autonomous territories of the North Caucasus

Putin's Wars Marcel H. Van Herpen, 2024-01-03 The third edition of this acclaimed book offers a systematic analysis of Putin s three wars placing the Second Chechen War the war with Georgia of 2008 and the current war with Ukraine in their broader historical context Drawing on extensive

original Russian sources Marcel H Van Herpen analyzes in detail how Putin's wars have been prepared and conducted and why they have led to allegations of war crimes and genocide He shows how the conflicts have attempted to consolidate and legitimate Putin's regime and explores how they are connected to a fourth hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin's regime this study digs deep into the Kremlin's secret long term strategies Readable and clearly argued it makes a compelling case that Putin's regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin's contemporary policies Van Herpen's work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

Understanding Ethnopolitical Conflict E. Souleimanov, 2013-07-08 This book critically evaluates the growing body of theoretical literature on ethnic conflict and civil war using empirical data from three major South Caucasian conflicts evaluating the relative strengths and weaknesses of the available methodological approaches *International Law and the Reconceptualization of Territorial Boundaries* Joshua Castellino, 2024-10-28 This book critically analyzes the state based regime of international law eliciting its colonial and decolonial origins and proposing a new sub regional basis for dealing with contemporary global challenges Since 1648 public international law has taken many steps to maintain peace and establish a just order The State is deemed central to each of these efforts Yet modern challenges such as environmental mitigation mass migration and the need to stimulate economic growth overwhelm the State Could a regional approach to these questions achieved in conjunction with strong sub national local governance establish a more effective framework for systemic change Drawing on a history of colonization and decolonization while scrutinizing decisions made about the imposition of the State on the basis of colonial boundaries this multidisciplinary work analyses why current challenges are unlikely to be adequately addressed through existing governance structures In response it advocates for a sub regional transnational approach drawing on analyses of pre colonial shared histories and contemporary population ethnographies unfettered by hegemonic boundary drawing The book argues that collaboration across such frontiers in the face of climate and other challenges may offer more feasible approaches to the pursuit of peace than the unquestioned maintenance of state based structures of inherited privilege This book will appeal to scholars and others with interests in international law international relations and international politics as well as in the history and politics of colonialism

The Criminal-Terror Nexus in Chechnya Jeff Meyers, 2017-04-12 The line between criminal and terrorist groups is often blurred and Chechen groups are an excellent example of this new phenomenon As the Soviet Union collapsed groups began to fill the cracks offering services that the state could not The Chechens were one group that outrivaled many groups and they soon became

synonymous throughout the Russian Federation with criminal This work looks into the historical social and religious reasons behind the rise of militant Islam in the region From there it will discuss the historical difference between organized crime and terror how the two have coalesced into the crime terror nexus and how the Chechens compare to two other groups that have gone through the same evolution The Sicilian mafia and the militant Islamic Movement of Uzbekistan or IMU Though neither group are exactly the same there are links that can help the reader understand the domestic and foreign problems that twenty first century nation states deal with throughout the world

The Colour Revolutions in the Former Soviet Republics Donnacha Ó Beacháin, Abel Polese, 2010-07-12 During the first decade of the 21st century a remarkable phenomenon swept through the former Soviet Union changing the political social and cultural landscape Popularly known as the Colour Revolutions these non violent protests overthrew autocratic regimes in three post soviet republics the Georgian Rose Revolution 2003 the Ukrainian Orange Revolution 2004 and the Kyrgyzstani Tulip Revolution 2005 This book examines the significance of these regime change processes for the post soviet world in particular and for global politics in the 21st century Engaging comprehensively with the former Soviet republics the contributors to this book ask why there wasn't a revolution in a post Soviet republic such as Russia despite apparently favourable conditions They also explore the circumstances that ensured some post soviet countries underwent a successful colour revolution whilst others did not Identifying the conditions for successful colour revolutions this book asks whether there is a revolutionary blueprint that may be exported to other areas around the world that are under autocratic rule Carefully considering the ideologies of the post Soviet ruling regimes this book demonstrates the manner by which political elites integrated nationalism authoritarianism and populism into public debates It analyzes the diverse anti regime movements discussing the factors that led to the rise of such factions and outlining how these opposition groups were constituted and operated In addition it assesses the impact of external forces including the influence of the USA the EU and Russia By examining the colour revolution phenomenon in its entirety this book marks a significant contribution to both our micro and macro understanding of this tide of transformation

Encyclopedia of Stateless Nations James B. Minahan, 2016-08-01 This book addresses the numerous national movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the 21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood's Encyclopedia of the Stateless

Nations Ethnic and National Groups around the World that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons

Media, Democracy and Freedom Marta Dyczok,Oksana Viktorovna Gaman-Golutvina,2009 This book does what few other works have done it examines the role media have played in the larger political economic and social transformations in the post communist space An international group of scholars from various disciplines explore the complex relations between media society and the state in this region over the past twenty years and present theoretical arguments that challenge dominant views They scrutinize changes in the public sphere as well as the media itself its role format agenda and quality in the context of changing values and shifting power relationships

Beyond Crimea Agnia Grigas,2016-01-01 How will Russia redraw post Soviet borders In the wake of recent Russian expansionism political risk expert Agnia Grigas illustrates how for more than two decades Moscow has consistently used its compatriots in bordering nations for its territorial ambitions Demonstrating how this policy has been implemented in Ukraine and Georgia Grigas provides cutting edge analysis of the nature of Vladimir Putin s foreign policy and compatriot protection to warn that Moldova Kazakhstan the Baltic States and others are also at risk

Paramilitarism Ugur Ümit Üngör,2020-07-03 From the deserts of Sudan to the jungles of Colombia and from the streets of Belfast to the mountains of Kurdistan paramilitaries have appeared in violent conflicts in very different settings Paramilitaries are generally depicted as irregular armed organizations that carry out acts of violence against civilians on behalf of a state In doing so they undermine the state s monopoly of legitimate violence while at the same time creating a breeding ground for criminal activities Why do governments with functioning police forces and armies use paramilitary groups This study tackles this question through the prism of the interpenetration of paramilitaries and the state The author interprets paramilitarism as the ability of the state to successfully outsource mass political violence against civilians that transforms and traumatizes societies It analyses how paramilitarism can be understood in global context and how paramilitarism is connected to transformations of warfare and state society relations By comparing a broad range of cases it looks at how paramilitarism has made a profound impact in a large number of countries that were different but nevertheless shared a history of pro government militia activity A thorough understanding of paramilitarism can clarify the direction and intensity of violence in wartime and peacetime The volume examines the issues of international involvement institutional support organized crime party politics and personal ties

Territorial Disputes and Conflict Management Rongxing Guo,2012-01-25 This book examines the problems of boundary demarcation and its impact on territorial disputes and offers techniques to manage and resolve the resulting conflicts Historically most civil conflicts and internal wars have

been directly related to boundary or territorial disputes Cross border discord directly affects the sustenance and welfare of local populations often resulting in disease impoverishment and environmental damage as well as creating refugees Although the impact of territorial disputes is great they can often be settled through bilateral and sometimes multilateral agreements or international arbitration This book sets out to probe into the problems of existing techniques on boundary demarcation and to test their possible impacts on boundary and territorial disputes Various factors and their influences on cross border tensions are tested either qualitatively or quantitatively After close examination of dozens of the most significant cases the book presents various alternative solutions to the achievement of cross border cooperation in disputed territories An art of avoiding war is included within the book comprising six key schemes and five negotiating techniques The comparative advantages costs and benefits of each of these is analyzed and evaluated This book will help guide practitioners in territorial disputes and will be of interest to students of conflict management international security peace and conflict studies political violence and IR in general

Secessionist Entities and International Law Benedikt C. Harzl, 2025-03-20 This book examines secessionist entities that arose during and after the dissolution process of the USSR and considers them as legal subjects in their own right By employing a novel and more innovative approach the agency of these subjects otherwise often ignored or disregarded is taken into account Drawing on the cases of the South Caucasus the author suggests going beyond the binary concept of statehood and traditional notions of sovereignty He advocates embracing an inclusive reading of international law which enables to foster creative ambiguity vis vis these entities as means of conflict transformation

Open Wounds Vicken Cheterian, 2015-09-16 The assassination of the author Hrant Dink in Istanbul in 2007 a high profile advocate of Turkish Armenian reconciliation reignited the debate in Turkey on the annihilation of the Ottoman Armenians Many Turks soon re awakened to their Armenian heritage reflecting on how their grandparents were forcibly Islamised and Turkified and the suffering their families endured to keep their stories secret There was public debate around Armenian property confiscated by the Turkish state and the extermination of the minorities At last the silence had been broken Open Wounds explains how after the First World War the new Turkish Republic forcibly erased the memory of the atrocities and traces of Armenians from their historic lands a process to which the international community turned a blind eye The price for this amnesia was Vicken Cheterian argues a century of genocide Turkish intellectuals acknowledge the price society must pay collectively to forget such traumatic events and that Turkey cannot solve its recurrent conflicts with its minorities like the Kurds today nor have an open and democratic society without addressing the original sin on which the state was founded the Armenian Genocide

The Neighborhood Effect Anna Ohanyan, 2022-08-23 Why are certain regions of the world mired in conflict And how did some regions in Eurasia emerge from the Cold War as peaceful and resilient Why do conflicts ignite in Bosnia Donbas and Damascus once on the peripheries of mighty empires yet other postimperial peripheries like the Baltics or Central Europe enjoy quiet stability Anna Ohanyan argues for the salience of the

neighborhood effect the complex regional connectivity among ethnic religious communities that can form resilient regions In an account of Eurasian regional formation that stretches back long before the nation state Ohanyan refutes the notion that stable regions are the luxury of prosperous stable democratic states She examines case studies from regions once on the fringes of the Habsburg Ottoman and Russian Empires to find the often overlooked patterns of bonding and bridging or clustering and isolation of political power and social resources that are associated with regional resilience or fracture in those regions today With comparative examples from Latin America and Africa The Neighborhood Effect offers a new explanation for the conflicts we are likely to see emerge as the unipolar US led order dissolves making the fractures in regional neighborhoods painfully evident And it points the way to the future of peacebuilding making space for the smaller links and connections that comprise a stable neighborhood

Blood Revenge in Irregular Warfare Roberto Colombo, Emil Souleimanov, 2023-03-15 This book offers an original assessment of the ways in which the sociocultural code of blood revenge and its modern remnants shape irregular warfare Despite being a common driver of communal violence blood revenge has received little attention from scholars With many civil wars and insurgencies occurring in areas where the custom lingers strengthening our understanding of blood revenge is essential for discerning how conflicts change and evolve Drawing upon extensive multidisciplinary evidence this book is the first in the literature on civil war and insurgency to analyse the impact of blood revenge and its modern remnants on irregular warfare Even when blood revenge undergoes erosion its unregulated version still shapes the social fabric of insurgency although in different ways than its institutionalised counterpart At times of political instability the presence of a culture of retaliation weighs heavily on the dynamics of violent mobilisation target selection recruitment and disengagement This book brings in evidence from dozens of conflicts providing unprecedented insights into how a better understanding of blood revenge can improve military blueprints for irregular warfare This book will be of much interest to students of insurgency terrorism military and strategic studies anthropology and sociology as well as to decision makers and irregular warfare professionals

CHRONOLOGY LIBRI BOOKS **Opportunity, Identity, and Resources in Ethnic Mobilization** Ahmed Abdel-Hafez
Fawaz, 2017-06-15 Recent unrest and political upheaval in Iraq and Georgia have brought attention to the place of minority
populations in both countries Using Iraqi Kurds and the Abkhaz of Georgia as case studies this book addresses how ethnic
identities become politicized across boundaries by states and political entrepreneurs leading to mobilization of ethnic
populations This book bridges Middle Eastern studies with Post Soviet studies exploring the commonalities of cases in these
regions to draw out patterns in cases of ethnic mobilization It also provides a theoretical framework to examine the process
of ethnic mobilization Building on this theoretical framework the book provides a detailed empirical analysis of the case
studies of the Kurds in Iraq and the Abkhaz in Georgia Analysis of both cases shows several common variables in cases of
ethnic mobilization including ethnic entrepreneurs political opportunity structure ethnic identity politicization and resource
mobilization These variables form the environment in which ethnic mobilization occurs motivated by such factors as state
policy towards ethnic groups and external intervention to support ethnic groups

When somebody should go to the books stores, search launch by shop, shelf by shelf, it is in fact problematic. This is why we present the book compilations in this website. It will very ease you to look guide **War And Peace In The Caucasus Russias Troubled Frontier** as you such as.

War And Peace In The Caucasus Russias Troubled Frontier Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading War And Peace In The Caucasus Russias Troubled Frontier free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading War And Peace In The Caucasus Russias Troubled Frontier free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading War And Peace In The Caucasus Russias Troubled Frontier free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading War And Peace In The Caucasus Russias Troubled Frontier. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading War And Peace In The Caucasus Russias Troubled Frontier any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About War And Peace In The Caucasus Russias Troubled Frontier Books

1. Where can I buy War And Peace In The Caucasus Russias Troubled Frontier books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
