Conversations with Jimmy Carter Tom Head, 2023-07-31 When Jimmy Carter b 1924 lost the presidency in 1980 it would have been reasonable to think his public life was coming to an end The moderate evangelical blue jeans wearing peanut farmer made an unlikely governor of Georgia and an even less likely winner of the vicious 1976 Democratic presidential primary Coming into an era of American politics where evangelical and rural voters became increasingly identified with the Reagan revolution and the Democratic Party s identity became increasingly secular and urban he did not fit neatly into the political categories of the emerging decade But it was not politics that would define President Carter in the end it would be his humble Christian faith and his enduring commitment to the poor to peace and to human rights In *Conversations with Jimmy Carter* ten interviews drawn from Carter s five decades as a national public figure and author capture the complexities and contradictions that have defined him and that have helped to both reflect and shape the highest aspirations of the American experiment **L. Philip Hodgkiss, 2022-01-01 A Matter of Choice represents a substantive discussion of the concept of choice in human affairs taken against the backdrop of ethics and religion Drawing on a range of contributions Hodgkiss demonstrates in this study that though often not the primary issue under consideration a concern with choice has featured continually in human thought from the Hellenistic world of the Stoics to the post Kantian environment of modern philosophy Moreover he argues that the social and historical dimension of choice has been consistently underplayed and that the role of choice in modern economic and political developments is underestimated at our peril Through a critical account of the literature Hodgkiss adeptly diagnoses the insufficiency of the current conception of the choice making sovereign individual in the contemporary liberal democratic capitalist context and outlines the implications of this philosophy for the choice maker **Medicare+Choice**
