Weimar Germany Promise And Tragedy:

Weimar Germany Eric D. Weitz, 2007 Weimar Germany explores the great political and cultural innovations in Germany after World War I Germans forged democratic institutions and the country's great talents developed new forms of expression that reflected modern mass society Weimar Germany Eric D. Weitz, 2009 A People's History of the German Revolution William Pelz, 2018-06-20 In October 1918 war weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy This revolt in the dying embers of the First World War quickly erupted into a full scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy The establishment of the Weimar Republic in 1919 ended the revolution relegating all but its most prominent leaders to a historical footnote In A People's History of the German Revolution William A Pelz cuts against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country's natural progression into a republic Going beyond the familiar names of Karl Liebknecht Rosa Luxemburg or Clara Zetkins Pelz explores the revolution from the bottom up focusing on the active role that women rank and file activists and ordinary workers played in its events Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society **A History of Modern Germany** Martin Kitchen, Lauren Faulkner Rossi, 2023-08-15 A HISTORY OF MODERN GERMANY A History of Modern Germany provides a comprehensive account of the social political and economic history of Germany from 1800 to the present Written in an engaging and accessible narrative style this popular textbook offers an expansive view of the nation's complex and fragmented past tracing the development of the German national consciousness through Napoleonic rule the unification of Germany the German Empire the Weimar Republic the Third Reich post war division the collapse of Communism reunification and the first two decades of the 21st century Throughout the text the authors discuss the tensions prompted by structural changes within Germany long term shifts in demographics social and economic reforms and more Now in its third edition A History of Modern Germany offers richer coverage of German cultural history the German Democratic Republic modernization class religion and gender Updated chapters explore continuity in imperial projects from Bismarck to Hitler memory and commemoration since 1945 the distinct but intertwined histories of the two Germanys between 1949 and 1989 and the experience of diversity after the Second World into the post unification era A History of Modern Germany 1800 to the Present Third Edition is an excellent textbook for undergraduate students taking courses in modern German history or modern European history as well as general readers with an interest in the subject *Liberal Capitalist Democracy* Krishnan Nayar, 2023-02-23 A spectre is haunting Europe and America the spectre of anti democratic right wing nationalism This has finally exposed as ill based the astonishingly widely shared belief that unleashing capitalism will sooner or later lead societies to democratic politics It's

nothing more than the big liberal myth Krishnan Nayar explores the history of six major pioneers of modernity Britain America France Germany Russia and Japan from the seventeenth century s Cromwellian revolution to Donald Trump s election via the Age of Darwinian Capitalism the pre Second World War pre consumerist pre welfare state capitalism of severe economic instability and a penurious working class Nayar shows that in this period capitalist industrialisation was far more likely to lead to modernised right wing autocracy than democracy which got a chance thanks simply to fortunate circumstances in a few countries Capitalism only underpinned democracy in the post war period due to transient factors post 1945 Western welfare systems owed their existence and character almost entirely to the challenge posed by the Russian and Chinese revolutions The return of large scale extremist right wing politics should not therefore come as a surprise As autocratic China grows in strength and Russia returns to expansionism can democracy be rescued from a capitalism of dire instability and inequality

Russia and the Western Far Right Anton Shekhovtsov, 2017-09-08 The growing influence of Russia on the Western far right has been much discussed in the media recently This book is the first detailed inquiry into what has been a neglected but critically important trend the growing links between Russian actors and Western far right activists publicists ideologues and politicians The author uses a range of sources including interviews video footage leaked communications official statements and press coverage in order to discuss both historical and contemporary Russia in terms of its relationship with the Western far right Initial contacts between Russian political actors and Western far right activists were established in the early 1990s but these contacts were low profile As Moscow has become more anti Western these contacts have become more intense and have operated at a higher level The book shows that the Russian establishment was first interested in using the Western far right to legitimise Moscow s politics and actions both domestically and internationally but more recently Moscow has begun to support particular far right political forces to gain leverage on European politics and undermine the liberal democratic consensus in the West Contributing to ongoing scholarly debates about Russia s role in the world its strategies aimed at securing legitimation of Putin s regime both internationally and domestically modern information warfare and propaganda far right politics and activism in the West this book draws on theories and methods from history political science area studies and media studies and will be of interest to students scholars activists and practitioners in these areas

Double Exile Tibor Frank, 2009 This is a social history of refugees escaping Hungary after the Bolshevik type revolution of 1919 the ensuing counterrevolution and the rise of anti Semitism Largely Jewish and German before World War I the Hungarian middle class was torn by the disastrous war the partitioning of Hungary in the Treaty of Trianon and the numerus clausus act XXV in 1920 that seriously curtailed the number of Jews admitted to higher education Hungary s outstanding future professionals whether Jewish Liberal or Socialist felt compelled to leave the country and head to German speaking universities in Austria Czechoslovakia and Germany When Hitler came to power these exiles were to flee again many on the fringes of the huge German emigration Emotionally prepared by their

earlier threatening experiences in Hungary they were quick to recognize the need to uproot themselves again Many fled to the United States where their double exile catalyzed the USA into an active enemy of Nazi Germany and stimulated the transplantation of European modernism into American art and music To their surprise the refugees also encountered anti-Semitism in the USA The book is based on extensive archival work in the USA and Germany [A History of Germany, 1800 to the Present](#) William Carr, David Wetzel, 2023-01-26 A History of Germany 1800 to the Present is a commanding survey of modern German history that guides you from the turn of the 19th century right the way through to Germany's continuing world power status today Covering the revolutions of 1848-49 Bismarck the World Wars the Cold War and the progress of a reunified Germany the 5th edition of this classic textbook provides an authoritative exploration of the country across the whole period like no other This edition includes A new first chapter covering 1800-1815 A greatly expanded chapter on the reunification in 1989-90 An absorbing final chapter on the political economic and social developments in the new Federal Republic from 1990 to the present including a comprehensive analysis of the financial crisis of 2008-2010 Additional content throughout on the political activism and engagement of women from 1848-49 to the present the significance of German colonialism from 1884 to 1919 the origins of WWI the Third Reich and the GDR Biographical textboxes vignettes of key actors For the first time 40 images and 9 maps Rich with insights into the key historiographical debates this book offers a thorough introduction to Germany's complex modern history

Free Speech Jacob Mchangama, 2022-02-08 The best

history of free speech ever written and the best defense of free speech ever made P J O'Rourke Hailed as the first freedom free speech is the bedrock of democracy But it is a challenging principle subject to erosion in times of upheaval Today in democracies and authoritarian states around the world it is on the retreat In *Free Speech* Jacob Mchangama traces the riveting legal political and cultural history of this idea Through captivating stories of free speech's many defenders from the ancient Athenian orator Demosthenes and the ninth century freethinker al-Razi to the anti-lynching crusader Ida B. Wells and modern day digital activists Mchangama reveals how the free exchange of ideas underlies all intellectual achievement and has enabled the advancement of both freedom and equality worldwide Yet the desire to restrict speech too is a constant and he explores how even its champions can be led down this path when the rise of new and contrarian voices challenge power and privilege of all stripes Meticulously researched and deeply humane *Free Speech* demonstrates how much we have gained from this principle and how much we stand to lose without it

The Final Keystone John Kevin Crowley, 2021-03-04 The Final Keystone By John Kevin Crowley Every case in the history of Jurisprudence involves three things Trust Betrayal and Accountability Through his education studies and observations and experiences author John Kevin Crowley has learned the interconnection of history law philosophy and religion with the human condition How that relationship has played out in human history leading to present day is a focus of *The Final Keystone* This treatise is the story of us and the source of the lessons left unlearned It is a reminder of what does not work and how what does work must be ever vigilantly guarded

Jewish Exiles and European Thought during the Third Reich David Weinstein, Avihu Zakai, 2017-07-06 A study of how forced exile from 1930s Germany informed the scholarship of four German speaking Jewish intellectuals *True Story* Shanon Fitzpatrick, 2022-07-19 Focusing on Bernarr Macfadden a bodybuilder turned publishing mogul Shanon Fitzpatrick charts the rise and export of US mass media and consumer culture Macfadden's magazines featuring fitness tips celebrity gossip and sensational true stories created an enduring editorial template and powered worldwide demand for interactive American media

Sex between Body and Mind Katie Sutton, 2019-11-25 Ideas about human sexuality and sexual development changed dramatically across the first half of the 20th century As scholars such as Magnus Hirschfeld Iwan Bloch Albert Moll and Karen Horney in Berlin and Sigmund Freud Wilhelm Stekel and Helene Deutsch in Vienna were recognized as leaders in their fields the German speaking world quickly became the international center of medical scientific sex research and the birthplace of two new and distinct professional disciplines sexology and psychoanalysis This is the first book to closely examine vital encounters among this era's German speaking researchers across their emerging professional and disciplinary boundaries Although psychoanalysis was often considered part of a broader sexual science sexologists increasingly distanced themselves from its mysterious concepts and clinical methods Instead they turned to more pragmatic interventionist therapies in particular to the burgeoning field of hormone research which they saw as crucial to establishing their own professional relevance As sexology and psychoanalysis diverged heated debates arose around concerns such as the

sexual life of the child the origins and treatment of homosexuality and transgender phenomena and female frigidity This new story of the emergence of two separate approaches to the study of sex demonstrates that the distinctions between them were always part of a dialogic and competitive process It fundamentally revises our understanding of the production of modern sexual subjects

German History in Modern Times William W. Hagen, 2012-02-13 This history of German speaking central Europe offers a very wide perspective emphasizing a succession of many layered communal identities It highlights the interplay of individual society culture and political power contrasting German with Western patterns Rather than treating the Germans as a collective whole whose national history amounts to a cumulative biography the book presents the pre modern era of the Holy Roman Empire the nineteenth century the 1914 45 era of war dictatorship and genocide and the Cold War and post Cold War eras since 1945 as successive worlds of German life thought and mentality This book s Germany is polycentric and multicultural including the multinational Austrian Habsburg Empire and the German Jews Its approach to National Socialism offers a conceptually new understanding of the Holocaust The book s numerous illustrations reveal German self presentations and styles of life which often contrast with Western ideas of Germany

The People's Car Bernhard Rieger, 2013-04-09 Bernhard Rieger reveals how a car commissioned by Hitler and designed by Ferdinand Porsche became a global commodity on a par with Coca Cola The Beetle s success hinged on its uncanny ability to capture the imaginations of executives engineers advertisers car collectors suburbanites hippies and everyday drivers across nations and cultures

Berlin Coquette Jill Suzanne Smith, 2014-05-15 During the late nineteenth century the city of Berlin developed such a reputation for lawlessness and sexual licentiousness that it came to be known as the Whore of Babylon Out of this reputation for debauchery grew an unusually rich discourse around prostitution In *Berlin Coquette* Jill Suzanne Smith shows how this discourse transcended the usual clichés about prostitutes and actually explored complex visions of alternative moralities or sexual countercultures including the New Morality articulated by feminist radicals lesbian love and the New Woman Combining extensive archival research with close readings of a broad spectrum of texts and images from the late Wilhelmine and Weimar periods Smith recovers a surprising array of productive discussions about extramarital sexuality women s financial autonomy and respectability She highlights in particular the figure of the cocotte Kokotte a specific type of prostitute who capitalized on the illusion of respectable or upstanding womanhood and therefore confounded easy categorization By exploring the semantic connections between the figure of the cocotte and the act of flirtation of being coquette Smith s work presents flirtation as a type of social interaction through which both prostitutes and non prostitutes in Imperial and Weimar Berlin could express extramarital sexual desire and agency

German Reparations, 1919 - 1932 L. Gomes, 2010-04-14 This book provides a historical narrative to tell the story of interwar German reparations the debates controversies and diplomacy surrounding the issue from the 1919 Paris peace conference to the abandonment of reparations at the Lausanne Conference in 1932

Festival, Culture, and Identity in Lübeck Erika L. Briesacher, 2022-11-28 In this

study Erika L Briesacher argues that festivals in L beck Germany spanning 1920 to 1960 demonstrate interlocking economic social and cultural factors that contribute to local national and international identity formation Focusing on institutional records as well as public discourse and material artifacts the author traces the mobilization of Nordic as a distinctly German in group during the Weimar Nazi and early Cold War eras highlighting particular ways participants included and excluded racial religious and other cultural identities in their own imagined community Focusing on the festival as both a site of participation and consumption the author assesses two postwar periods as well as the legacy of the Holocaust in a northwest German town
