Welcome Arms Race Justin Isis:

Welcome to the Arms Race Justin Isis, 2015-12-16 The long awaited second collection from Justin Isis takes us on a sharp turn away from the Huysmans in Tokyo feel of his first and into a world of near and far future shocks Torrents of alien language and remixed fragments of science fiction hauntology merge in the valley of the shadow of the singularity while atomized characters scramble for self and meaning only to find themselves overwritten or revised out of reality Churches made of meat spaceships powered by song simulated authors and a soul warping artwork that may or may not exist in these ten stories you will be confronted with a garish neon blueprint of post humanity Welcome to tomorrow Welcome to the Arms Race

The Genes of Isis Justin Newland, 2018-05-29 Akasha is a precocious young girl with dreams of motherhood She lives in a fantastical world where most of the oceans circulate in the aquamarine sky waters Before she was born the Helios a tribe of angels from the sun came to Earth to deliver the Surge the next step in the evolution of an embryonic human race Instead they spawned a race of hybrids and infected humanity with a hybrid seed Horque manifests on Earth with another tribe of angels the Solarii to rescue the genetic mix up and release the Surge Akasha embarks on a journey from maiden to mother and from apprentice to priestess then has a premonition that a great flood is imminent All three races humans hybrids and Solarii face extinction With their world in crisis Akasha and Horque meet and a sublime love flashes between them Is this a cause of hope for humanity and the Solarii Or will the hybrids destroy them both Will anyone survive the killing waters of the coming apocalypse

Canada Mike Myers, 2018-10-30 Comedy superstar Mike Myers writes from the true patriot heart about his relationship with his beloved Canada Mike Myers is a world renowned actor director and writer and the man behind some of the most memorable comic characters of our time But as he says no description of me is truly complete without saying I m a Canadian He has often winked and nodded to Canada in his outrageously accomplished body of work but now he turns the spotlight full beam on his homeland His hilarious and heartfelt new book is part memoir part history and pure entertainment It is Mike Myers funny and thoughtful analysis of what makes Canada Canada Canadians Canadians and what being Canadian has always meant to him His relationship with his home and native land continues to deepen and grow he says In fact American friends have actually accused him of enjoying being Canadian and he s happy to plead guilty as charged A true patriot who happens to be an expatriate Myers is in a unique position to explore Canada from within and without With this his first book Mike brings his love for Canada to the fore at a time when the country is once again looking ahead with hope and national pride Canada is a wholly subjective account of Mike s Canadian experience Mike writes Some might say Why didn t you include this or that I say there are 35 million stories waiting to be told in this country and my book is only one of them This beautifully designed book is illustrated in colour and not color throughout and its visual treasures include personal photographs and Canadiana from the author s own collection
