Weldons Practical Needlework Volume 1 Weldons Practical Needlework Series:

Weldon's Practical Needlework, Volume 1 PieceWork Magazine, 1999-01-01 PieceWork magazine brings you Victorian needlework at its finest with these special compilations of Weldon's Practical Needlework. In this volume you'll find an abundance of simple practical knitting patterns with an emphasis on socks, mittens, and other small accessories, as well as several lovely counterpane squares. Patterns are exact replicas of the premier needlework magazine from turn of the century England. Each volume is filled with hundreds of vintage projects, illustrations, information on little-known techniques, fashion as it was in the late 1800s, and brief histories of needlework. **Weldon's Practical Needlework Comprising - Knitting, Crochet, Drawn Thread Work, Netting, Knitted Edgings & Shawls, Mountmellick Embroidery. With Full Working Descriptions and Illustrations** Anon, 2013-04-25 This vintage book contains a complete guide to practical needlework with detailed instructions for knitting, crochet, drawn thread work, netting, knitted edgings, and shawls. With working descriptions and almost 3000 illustrations, this volume constitutes a must-have for modern knitting enthusiasts and would make for a fantastic addition to collections of related literature. Contents include: Sewing and Needlework; Weldon's Practical Knitter Twelfth Series; Weldon's Practical Knitter Thirteenth Series; Weldon's Practical Knitter Edgings; Fourteenth Series; Weldon's Practical Mountmellick Embroidery; Weldon's Practical Crochet Tenth Series; Weldon's Practical Crochet Eleventh Series, etc. Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction on sewing and needlework. Weldon's Practical Needlework Interweave, 2014-12-03 A celebration of vintage needlework, Weldon's Practical Needlework was a popular Victorian magazine that offered knit, crochet, patchwork, and a variety of other needlework patterns for useful articles. Published in England roughly between 1885 and 1915, it offered women of the growing middle class technical instructions and projects. Whether sturdy items of daily wear such as stockings, a gentleman's waistcoat, or lady's vest, or more fanciful lacework and doilies, or truly odd items such as knitted tennis ball covers and knee warmers, such projects allowed women to fill their leisure hours with useful work. Originally publishing small pamphlets 12 times a year, Weldon's eventually collected these into larger volumes. The popular leaflets could be found in many households, often surrounded by the very type of needlework they contained. Now available as an extravagant boxed set, Weldon's Practical Needlework Deluxe Edition is a facsimile edition of the first 6 volumes of the series. In addition to knit and crochet, each volume contains a variety of decorative needlework: crewel, applique, cross stitch, macrame, smocking, bead netting, and other lesser-known techniques. This box set serves as a historical document and a collector's item. Open a window to another time and place with Weldon's Practical Needlework Deluxe Edition as you explore fashion, domestic life, and the history of needlework. Weldon's Practical Needlework, Volume 10 PieceWork Magazine, 2004-04-01 This tenth volume in the Weldon's Practical Needlework series showcases premiere needlework newsletters from turn of the century England that include

exact reproductions of hundreds of patterns This volume offers exquisite applique embroidery lots of crocheted edgings insertions and even baby rattles hairpin crochet edgings and a wide array of knitting from a knitted tassel to adorable booties for baby There is also a section on pincushions sections on beginning point lace and beginning ribbon plaiting and tips on practical leather work Weldon's Practical Needlework, Volume 11 PieceWork Magazine,2004-10-01 Knitted socks a crocheted vest a beaded archway curtain and lace collars are among the more than 140 projects included in this knitting and crocheting idea book for bent iron *Catalogue of Printed Books* British Museum.
