POPULAR CULTURE,
AND PRESIDENTIAL
POLITICS**

EDITED BY JUSTIN S. VAUGHN AND LILLY J. GOREN

Women And The White House Gender Popular Culture And Presidential Politics

M Lipman

Women And The White House Gender Popular Culture And Presidential Politics:

Women and the White House Justin S. Vaughn, Lilly J. Goren, 2013 Known as the Great Compromiser Henry Clay earned his title by addressing sectional tensions over slavery and forestalling civil war in the United States Today he is still regarded as one of the most important political figures in American history As Speaker of the House of Representatives and secretary of state Clay left an indelible mark on American politics at a time when the country's solidarity was threatened by inner turmoil and scholars have thoroughly chronicled his political achievements However little attention has been paid to his extensive family legacy In *The Family Legacy of Henry Clay In the Shadow of a Kentucky Patriarch* Lindsey Apple explores the personal history of this famed American and examines the impact of his legacy on future generations of Clays Apple's study delves into the family's struggles with physical and emotional problems such as depression and alcoholism The book also analyzes the role of financial stress as the family fought to reestablish its fortune in the years after the Civil War Apple's extensively researched volume illuminates a little discussed aspect of Clay's life and heritage and highlights the achievements and contributions of one of Kentucky's most distinguished families

Women and the White House Justin S. Vaughn, Lilly J. Goren, 2012-11-30 As the first female vice president takes office this volume explores gender perceptions and the executive role An important impressive book Lane Crothers author of *Globalization and American Popular Culture* The president of the United States has traditionally served as a symbol of power virtue ability dominance popularity and patriarchy In recent years however a number of high profile female candidacies have provoked new interest in gendered popular culture and how it influences Americans perceptions of the country's highest political office In this timely volume editors Justin S Vaughn and Lilly J Goren lead a team of scholars in examining how the president and the first lady exist as a function of public expectations and cultural gender roles The authors investigate how the candidates messages are conveyed altered and interpreted in hard and soft media forums from the nightly news to daytime talk shows and from tabloids to the blogosphere They also address the portrayal of the presidency in film and television productions such as 1964's *Kisses for My President* and 2005's *Commander in Chief* With its strong multidisciplinary approach *Women and the White House* commences a wider discussion about the growing possibility of a female president in the United States the ways in which popular perceptions of gender will impact her leadership and the cultural challenges she will face

The Routledge Handbook of Gender and Communication Marnel Niles Goins, Joan Faber McAlister, Bryant Keith Alexander, 2020-11-29 This volume provides an extensive overview of current research on the complex relationships between gender and communication Featuring a broad variety of chapters written by leading and upcoming scholars this edited collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles representations and resources in communication studies Established research and new perspectives address vital themes in this comprehensive text including the shifting politics of gender ethical and technological trends in gendered media and gender in daily life

Comprising 39 chapters by a team of international contributors the Handbook is divided into six thematic sections Gendered lives and identities Visualizing gender The politics of gender Gendered contexts and strategies Gendered violence and communication Gender advocacy in action These sections examine central issues debates and problems including the ethics and politics of gender as identity impacts of media and technology legal and legislative battlegrounds for gender inequality and LGBTQ human rights changing institutional contexts and recent research on gender violence and communication The final section links academic research on gender and communication to activism and advocacy beyond the academy The Routledge Handbook of Gender and Communication will be an invaluable reference work for students and researchers working at the intersections of gender studies and communication studies Its international perspectives and the range of themes it covers make it an essential and pragmatic pedagogical resource

Women in the American Political System

Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Political Rhetoric Mary E. Stuckey, 2017-07-12 Rhetoric is among the most important and least understood elements of presidential leadership Presidents have always wielded rhetoric as one tool of governance and that rhetoric was always intended to facilitate political ends such as image building persuasion of the mass public and inter branch government persuasion But as mass media has grown and then fragmented as the federal bureaucracy has continued to both expand and calcify and as partisanship has heightened tensions both within Congress and between Congress and the Executive rhetoric is an increasingly important element of presidential governance Scholars have derived ways to explain how these developments and the presidents use of rhetoric have contributed to and detracted from the health of American democracy

This briefing book offers a succinct reflection on the ways in which historical developments have encouraged the use of political rhetoric. It explores strategies of going public to provide some leverage over the political system and the lessons one might derive from these choices. This essential analysis, written for lay readers, scholars, students, and future presidents, is the first in Transaction's innovative Presidential Briefings series. Mary E. Stuckey covers the scholarly literature with authority and offers examples of rhetoric that have lasting influence.

Women of the 2016 Election Jennifer Schenk

Sacco, 2018-12-12 *Women of the 2016 Election* is an examination of women who played prominent roles in the 2016 US presidential election. The collection focuses on women from different parties, races, religions, and immigrant statuses who fulfill roles as candidates, staffers, first families, journalists, and grassroots organizers. The contributors to this collection give a unique view into women's influences on an unprecedented election. They examine the roles of feminism, morality, motherhood, expectations of voters, the press, masculinity, femininity, race, class, and agency in this interdisciplinary work, which spans the fields of political science, feminist theory, communication, and women's and gender studies. This is the election that gave rise to the Trump presidency and the MeToo movement, and the women considered here have left trails and revealed how far there is yet to go for women achieving power in the highest echelons of American politics, media, and society.

Sentimental State(s) Heike Paul, Sarah Pritz, 2025-08-12 The word state has a double meaning, signifying both a condition and a political entity. Starting from this observation, the contributors to this volume provide a cross-cultural and cross-media discussion of the role of the sentimental in political culture. In their case studies from all over the world, they focus on affective politics of order and belonging in processes and constellations of community building. They analyze sentimental encodings used in symbolic interactions ranging from foundational narratives and state-orchestrated public rituals to visualizations of citizenship and protest movements.

Gender Inequality, 2024-06-05 *Gender Inequality: Issues, Challenges, and New Perspectives* brings together advancements and empirical studies on gender studies from different parts of the world. Focusing on issues, challenges, and new perspectives on gender inequalities in multiple spheres and multiple countries, the book is an interdisciplinary and international compilation of studies on gender that also offers insight into future directions for the field. The book will appeal to those interested in empirical and practical advancements in gender studies, particularly students, teachers, and researchers across disciplines, as well as professionals, employers, and practitioners who are working towards addressing gender inequalities across the world.

Poli Sci Fi Michael A. Allen, Justin S. Vaughn, 2016-03-10 *Poli Sci Fi: An Introduction to Political Science through Science Fiction* allows readers, students, and instructors to explore the multiple worlds of science fiction while gaining a firm grasp of core political science concepts. This carefully composed text is comprised of sixteen brief chapters, each of which takes a prominent science fiction film or television episode and uses it to explore fundamental components of political science. The book is designed to serve as a supplemental text for undergraduate political science courses, especially *Introduction to Political Science*. The structure and

content of the volume is shaped around the organization and coverage of several leading texts in this area and includes major parts devoted to theory and epistemology political behavior institutions identity states and inter state relations Its emphasis on science fiction and particularly on popular movies and television programs speaks to the popularity of the genre as well as the growing understanding that popular culture can be an extraordinarily successful vehicle for communicating difficult yet foundational concepts especially to introductory level college students Claiming Her Place in Congress Katherine H.

Adams,2019-07-01 The fall of 2018 saw an unprecedented number of women elected to Congress changing estimates of how long it might take to achieve equal representation For the first time women candidates used techniques honed by America s political families which have helped women enter politics since 1916 Drawing on extensive research and conversations with successful women politicians this book offers a history of the political opportunities provided through familial connections Family networks have a long history of enabling women to run for political office There is much for the latest group of candidates to emulate
