The previously untold story of women s basketball s beginnings Ikard a basketball aficionado and amateur historian offers a meticulous history of women s basketball in the US from the first game played at Smith College in 1892 to the 1970s but he focuses on the AAU in the first half of the 20th century This period of women s basketball is rarely discussed so Ikard s book will be valuable to sports historians Highly recommended Choice *Encyclopedia of Women in Today's World* Mary Zeiss

Stange,Carol K. Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world **Buying In** Aaron L. Miller,2022-03-21 *Buying In* Big Time Women s College Basketball and the Future of College Sports juxtaposes the rise of women s college sports with the historical transformations that set the stage for contemporary big time college sports Aaron Miller draws on positive psychology to create a new framework he calls positive anthropology He uses this lens to highlight the accomplishments of women s college basketball teams and engages with college athlete exploitation pay for play and other contemporaneous issues that affect both women s and men s teams though women s teams are often excluded from the popular conversation With insights drawn from and applicable to a wide range of scholarly fields in the humanistic social sciences this book will be of particular interest to scholars researchers and educators working in the fields of sports studies gender studies education sociology history and anthropology as well as anyone interested in the future of big time college sport and higher education This book poses and answers the question How can scholars help envision a brighter future for all college athletes male and female **Women and Sports in the United States** Jean O'Reilly,Susan K. Cahn,2007-02-28

The only anthology available documenting 100 years of women in American sports **The Athletic Trap** Howard L. Nixon,2014-03-15 The unrivaled amount of cash poured into the college athletic system has made sports programs breeding grounds for corruption while diverting crucial resources from the academic mission of universities This title clarifies the structure of this trap describes how higher education institutions fall into it

Odds-On Basketball Coaching Michael J. Coffino,2017-07-25 In basketball as in most sports a large part of a coach s responsibility is to prepare his or her team for games Yet little time in practice is typically devoted to readying the players and coaches for specific game situations For instance what are the various ways to use dead ball moments to maximum advantage What adjustments should be made to launch a comeback in particular circumstances When is it favorable to purposefully miss a foul shot In *Odds On Basketball Coaching* Crafting High Percentage Strategies for Game Situations Michael J Coffino presents an innovative system for coaches to prepare for specific game scenarios Coffino challenges coaches to think differently about what they emphasize in practice placing greater value on preparing for recurring game situations crafting strategies by assessing the odds and creating a culture that elevates how players think about the game Each chapter begins with an actual game scenario that illustrates the chapter s content and includes discussions of notable

college and professional basketball games in order to demonstrate specific points Odds On Basketball Coaching provides a framework for making game decisions beyond instincts and habits It is intended more than anything to stimulate coaches and players to think comprehensively and realistically about how to approach games and practices fostering an environment where everyone can more incisively make game time decisions While high school and youth basketball coaches will find this book most helpful coaches at all levels will benefit from this novel approach to the game Sociology of Sport George H. Sage,D. Stanley Eitzen,Becky Beal,Matthew Atencio,2023 Now in its twelfth edition Sociology of Sport offers a compact yet comprehensive and integrated perspective on sport in North American society Bringing a unique viewpoint to the subject George H Sage D Stanley Eitzen Becky Beal and Matthew Atencio analyze and in turn demythologize sport This method promotes an understanding of how a sociological perspective differs from commonsense perceptions about sport and society helping students to understand sport in a new way
