War And The American Difference War And The American Difference:

War and the American Difference Stanley Hauerwas, 2011-10-01 How are American identity and America's presence in the world shaped by war and what does God have to do with it Esteemed theologian Stanley Hauerwas helps readers reflect theologically on war church justice and nonviolence in this compelling volume exploring issues such as how America depends on war for its identity how war affects the soul of a nation the sacrifices that war entails and why war is considered necessary especially in America He also examines the views of nonviolence held by Martin Luther King Jr and C S Lewis how Jesus constitutes the justice of God and the relationship between congregational ministry and Christian formation in America

The Origins of Canadian and American Political Differences Jason Kaufman, 2009-02-16 Why do the United States and Canada have such divergent political cultures when they share one of the closest economic and cultural relationships in the world Kaufman examines the North American political landscape to draw out the essential historical factors that underlie the countries' differences Hauerwas the Peacemaker? Nathan Scot Hosler, 2020-04-14 War has been abolished in Christ is a strong claim by theologian Stanley Hauerwas Wars however continue to rage and historic numbers of people are displaced globally Despite critics' assessments that Hauerwas contributes to Christians' disengaging his work provides certain tools for the work of peacebuilding In this work Hauerwas's contribution to peacemaking as a part of his ecclesiology and broader theological ethical work will be assessed Hauerwas's peacemaking within his work stands within the context of ecclesiology and related themes of witness and Christology The possibilities of his work on peacemaking to extend to peacebuilding practice and foreign policy formation are explored and a critique is leveled regarding his engagement with racial justice Additionally certain practices of reading in theology and training in this language are extrapolated to engage the task of policy formation and analysis in contexts where religion is an active factor This study concludes that Hauerwas's theological ethics of peacemaking makes a valuable contribution but must be extended into specific practices
