Subject: Recommendation for Nicolas Sagnac

Nicolas Sagnac served as marketing intern for Swiftsure Yacht from September 1st, 2014 until June 30th, 2015. As president and broker at Swiftsure Yachts, I was his supervisor and worked closely with him each day. Swiftsure Yachts Inc. is a yacht brokerage and service company based in Seattle and engaged in worldwide yacht sales.

Nicolas showed strong initiative and perseverance by seeking out this internship and during the year with our firm. He quickly learned our mission, values, and systems to become a contributing member of our small team of brokers and support staff. He easily managed the transition from school in Europe to living and working in Seattle. Nicolas even taught skiing and joined the crew of a local racing sailboat while here.

During the year he demonstrated excellent computer skills and fluency with many different software programs including MS Excel, Adobe Premiere, MS Powerpoint, and Google Analytics. He proved invaluable with our transition to a new Wordpress website platform and was very involved with the design, content, implementation, and evaluation of this website. He also made significant contributions and updates to our overall graphics and sales material portfolio. He pushed Swiftsure Yachts to employ new resources such as spherical photography and photo constellations to provide virtual tours of our listings. He exploited low cost social media and internet venues to promulgate our image and exposure.

I was also impressed by Nicolas' ability to interact with clients and vendors. He worked at three different boat shows including a major yachting show in Miami. His maturity and worldliness impressed customers and colleagues. He showed great perception about how specific products might appeal to certain clients and how best to market this products.

As a small firm who has never had an intern, I was uncertain about how this internship would work out. Nicolas provided us with more contributions than we expected. I'm skeptical if we would be so lucky to find another intern with such strong skills, good attitude, and willingness to work hard.

Respectfully Submitted,

Peter M. McGonagle

Dispute Resolution in the 34th America's Cup Henry Peter, 2015-11-24 The America's Cup continues to evolve as the preeminent sporting contest in the world of sailing and is one of the greatest contests in the world of sport In its long and colorful history disputes around the match have not only added

major extra publicity to the event's great popular appeal but also spawned a wealth of judicial and arbitral decisions that have become influential on the sport of sailing. This book continuing the tradition of Kluwer Law International's earlier publications on the 31st, 32nd and 33rd America's Cup offers richly detailed expert commentary along with the decision texts themselves on the judgments of various courts and other dispute resolution bodies delivered during the tumultuous 34th America's Cup. Since there is no official record of many of these documents, this book is the only source that presents them together in a single volume with the added benefit of commentary. Among the aspects covered are the following: all decisions issued by the 34th America's Cup International Jury as well as related decisions or awards rendered by other bodies: ISAF Disciplinary Commission, ISAF Review Board and the Court of Arbitration for Sport; judgments of the New York Supreme Court and its Appellate Division regarding the rejection of the African Diaspora Maritime Corporation application to compete to be a defender; the pivotal Jury decision affirming that the AC72 yacht could be made to foil on its centreboards and rudders dramatically increasing its speed the first time ever; Youth America's Cup and the extensive mediation concerning safety recommendations following the death of a sailor. A general introduction surveys the most important and peculiar issues pertaining to the event. Written not only as a comprehensive legal record of the 34th America's Cup but also with a view to favor future matches and to limit the possibilities of new controversies, the book takes a significant step toward ensuring that disputes are dealt with by arbitration and not by lengthy, costly and uncertain state court proceedings. In this way, the book provides invaluable guidance for trustees, competitors and event officials not only for the America's Cup but by extension to other major international sporting events.
