To Love And Obey Boundaries Volume 3:

The Conclusion of the Sexual Revolution Wylark Day, 2004-05-18 This is a book about sexual morality Not a morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God s Plan for Sex but a minority who deviate from this Plan such as homosexuals are nonetheless necessary for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God

Beers, V. Gilbert Beers, 2007 The material in this book addresses a wide array of questions and then answers the questions according to insight found in the Bible Inside The Complete Book of Life s Questions you ll find hundreds of questions about real life difficult questions people ask about abortion and abuse sexuality and love friendship and hope This book is an excellent reference book that you ll pull off the shelf time and time again Faith intersects with life Let Scripture
