Singing and Suffering with the Servant David M. Stark, 2022-10-10 The Old Testament is transformed from problem to ally when preachers attend to power at work in ancient and modern contexts by mirroring Second Isaiah s proclamation listening to contemporary servant Israel and learning from African American preaching in context of domination This book analyses the impact of domination on Old Testament proclamation and thus leads to several unique contributions Firstly it reads Second Isaiah as a homiletic model for proclaiming older pre exilic texts in response to exilic domination Secondly it treats the Old Testament as a rich resource for confronting racism and anti-Semitism through teaching and it introduces contemporary Christian Jewish dialogue in Germany as a model for the Church Lastly it highlights preaching traditions within the African American Church as instructive for formulating an effective Old Testament preaching strategy
