Zero Hour And Other Stories The Ec Comics Library:

Zero Hour Jack Kamen, Al Feldstein, 2014-02-15 With his wholesome approach Jack Kamen stood out amongst the grandguignol grunge gritty realism or futuristic dazzle of his fellow EC cartoonists but his brilliant editor writer Al Feldstein found a way to exploit the surface innocence of his style with seemingly nice stories of romance gone horribly wrong or future fantasies with an unexpectedly brutal twist And nowhere did Kamen's clean but lush graphics work better than in the stories he created for EC's science fiction comics The title story Zero Hour one of three in this book adapted from works by Ray Bradbury set in a Spielbergian suburban idyll is particularly well served by Kamen's surface innocence A Lesson in Anatomy works similar magic with its Mayberryesque setting veering into alien invasion terror If there was any devil in Kamen it came out in his loving depiction of the female face and form and you could see why his hapless heroes were often fatally entranced with them as in Punishment Without Crime Bradbury again He Who Waits a scientist finds an extreme way of rejoining his eight inch tall innamorata and Miscalculation the lucky recipient of a package from the future literally brews his own harem even the supercomputer in Only Human proves vulnerable to a beautiful woman's charms Zero Hour And Other Stories contains 22 classic EC yarns plus the usual all new biographical historical and critical essays that have made Fantagraphics EC Library series the ultimate version of these classics Accidents and Old Lace Graham Ingels, 2020-11-24 This volume collects short horror comics stories from Tales From the Crypt Vault of Horror Haunt of Fear Crime SuspenStories and Impact including a rare EC gem that hasn't been seen since its original publication more than 65 years ago These stories which Ghastly Graham Ingels drew while he was at the pinnacle of his powers include tales such as Accidents and Old Lace Three sweet little old ladies weave tapestries depicting the gruesome deaths of real people but when an art dealer commits murder to get a tapestry of his own he discovers just how closely art imitates death In Marriage Vow a woman returns from the grave to fulfill her wifely duty to her murderous husband until death does them together and in The Sliceman Cometh an executioner during the French Revolution can't escape the severed head of an innocent man A Slight Case of Murder George Evans, Al Feldstein, 2021-01-12 This volume collects all of George Evans' EC horror It features Blind Alleys one of the most chilling and famous EC stories adapted for the 1972 movie Tales From the Crypt A man who abused residents of a home for the blind winds up in an impossibly narrow corridor lined with razor blades as a ravenous dog closes in In Gorilla My Dreams an innocent man's brain is transplanted into a gorilla who is then blamed for the death of his former self and hunted down And in our titular tale A Slight Case of Murder four pretty young women are each gruesomely murdered inside locked rooms with no way for the killer to get in or out But one man thinks he knows who's behind it In addition A Slight Case of Murder and Other Stories also includes Evans's unforgettable adaptation of the Ray Bradbury story The Small Assassin This book superbly showcases these classic comic book stories and enhances the reader's experience with commentary and historical and biographical detail by EC experts **Three for the Money** Jack Kamen, Al
