Double Agent Victoire David Tremain, 2018-06-11

Mathilde Carr notoriously known as La Chatte was remarkable for all the wrong reasons Like most spies she was temperamental scheming and manipulative but she was also treacherous A dangerous mix especially when combined with her infamous history of love affairs on both sides Her acts of treachery were almost unprecedented in the history of intelligence yet her involvement in the Interalli affair has only warranted a brief mention in the accounts of special operations in France during the Second World War But what motivated her to betray more than 100 members of the Interalli network the largest spy network in France Was she the only guilty party or were others equally as culpable Drawing on material from MI5 files Double Agent Victoire explores the events that led to her betrayal who may have cast the first stone and their motivations as well as how the lives and careers of those involved were affected It reveals a story full of intrigue sex betrayal and double dealing involving a rich cast including members of the French Resistance German Abwehr and British Intelligence

The Human Flies Hans Olav Lahlum, 2014-06-05 Oslo 1968 Ambitious young detective Inspector Kolbj rn Kristiansen is called to an apartment block where a man has been found murdered The victim Harald Olesen was a legendary hero of the Resistance during the Nazi occupation and at first it is difficult to imagine who could have wanted him dead But as Detective Inspector Kolbj rn Kristiansen known as K2 begins to investigate it seems clear that the murderer could only be one of Olesen s fellow tenants in the building Soon with the help of Patricia a brilliant young woman confined to a wheelchair

following a terrible accident K2 will begin to untangle the web of lies surrounding Olesen's neighbours each of whom it seems had their own reasons for wanting Olesen dead Their interviews together with new and perplexing clues will lead K2 and Patricia to dark events that took place during the Second World War The Human Flies by Hans Olav Lahlum is a gripping evocative and ingenious mystery the first in a series featuring K2 and Patricia which pays homage to the great Agatha Christie and will plunge readers into Norwegian history and into a world of deceit and betrayal revenge and the very darkest murder

The Other Side of Agent Zigzag Edgar Wollstone, One of the Second World War's most colourful individuals was double agent Eddie Chapman Edward or Eddie Chapman was an expert safecracker and career criminal from Northern England not an Aryan super saboteur He was possibly the most daring and accomplished double agent in the world at the time unknown to everyone but the most covert agencies in the nation He was taken in by the Abwehr German military intelligence from a French prison and after arriving in Britain he switched allegiances Eddie Chapman is evidence that a superhero need not be a face masher with bulging muscles He wasn't a huge man he wasn't a murderer and he avoided conflict whenever he could He nevertheless succeeded in becoming one of the most colourful war heroes in British history by playing both the British and the Germans off one another engaging in a variety of escapades crossing a variety of redlines and generally living up to expectations for a professional spy The villain was a hero and the traitor was a man of loyalty It was difficult to determine where one character ended and the other began in Chapman This is the real life account of Agent Zigzag a spy who deceived the Nazis only out of his own sense of excitement
